SWEEP EVERY THING

Japanese Army Marches Forward Without Serious Opposition

Several Skirmishes Reported in the Passes on the Peninsula Between the Main Armies

London, July 5.—The Central News correspondent at Tokio reports that the central column of the Japanese first army now occupies a line nearly 40 miles in length between Moiten Pass and Hsienkai pass. Two hundred Russians were encountered by the Japanese and retreated westward toward Tensui Tien. A portion of the northwestern column of the Japanese army has occupied Siao Peinling, six miles northwest of Feng Shuling.

Reuters' agency has a dispatch reporting that the Japanese have advanced further on the road toward the Russian rendezvous, and have occupied Pen Shui Ling. The main Japanese army has advanced westward.

Rome, July 5.—The Agenzia Libera's correspondent at Liao Yang reports 600 cases of typhoid in the Russian army.

Russians Repulsed.

Tokio, July 5.—A force of Russians attacked the Japanese outpost at Mitten Ling pass on Monday, but was repulsed, losing 80 killed and wounded. The Japanese casualties were 45.

Russians Retreated.

St. Petersburg, July 5.—The official announcement is made today that in the battle fought to the east of Liao Yang, near the Yanzeling pass, the Russians retreated, losing 200 men in the engagement.

PONTIFF SUFFERS STROKE

Pope Pius Stricken With Heart Trouble but Soon Rallies

Rome, July 5.—Pope Pius X suffered from a sudden attack of palpitation of the heart early this morning, due to the heat and worry over Vatican affairs. The attack soon passed over, but left his holiness very weak. His household is much alarmed.

Survivors Are Coming.

Liverpool, July 5.—Twenty-seven survivors of the Norge disaster, sailed for Boston today aboard the Cunard liner, Saxonia. The others will be forwarded as soon as arrangements can be made.

CLAIM THAT PARKER WILL BE DEFEATED

Bryan Heads Combination Against the New York Candidate--Judson Harmon of Ohio Will Probably Be the Man Named by the Antis

St. Louis, July 5.—The most sensational move of the entire political situation was made today when at 10 o'clock it was announced by the anti-Parker leaders that a combination against Parker had finally been effected. At that hour the anti-Parker leaders authorized Harlan Cleveland, in charge of the boom of Former Attorney-General Harmon to wire Harmon at Cincinnati to have a letter in St. Louis on Wednesday morning stating his position in 1896. If the letter satisfies Bryan, Harmon will be the choice of the antis, and they will concentrate their strength on him to beat Parker. The strength of Olney, Wall, Cockrell, Hargen and Gray formed the nucleus of the deal, and the Bryant-Hearst forces completed it. The basis for the move is constituted in a petition secretly circulated during the night by the antis, which was numerously signed. It is confidentially announced that 400 delegates are in the combine, and all are pledged against Parker on the first and second ballots. The compact does not extend beyond that period, but the antic declare they are just as skillful in a political game as their opponents, and, with this foothold, they will be able to defeat Parker. They say that the future will take care of itself and declare that the Gotham jurist is now in the most dangerous position, being within striking distance of the goal, and not able to clinch it. The states with favorite sons are claimed to be solidly held in the agreement of the antis, Missouri, Wisconsin, Massachusetts, Ohio and Delaware, representing 146 votes. All the power of the new machine has been set to work to win back Guffy, of Pennsylvania, there-

by weakening the effect of the coup by the Parkerites last night. Although the conservative leaders, especially the Parkerites, claim not to be interested in Bryan, and attempt to treat the Nebraskan with cold disdain, the fact is they, as well as everybody else here, are mighty anxious to answer the question "What is Bryan going to do?" Every possible means has been resorted to to smoke out the silver leader, but he refuses to be smoked. "I am going to decide the question of my position without anybody's help," said Bryan to our correspondent. "My friends ought to give me credit for being able to do this, and I give them credit of being able to decide for themselves, without any advice from me." Bryan's rooms have been one storm center ever since he arrived. Both friends and enemies have called, the former for advice and to swear fealty, the latter to abuse and to try, by angering the radical leader, to get him to make an indiscreet statement, but Bryan's temper remains unruined, and his replies to his friends and foes alike are given with smiling courtesy. It seems to be the general opinion that Bryan will make the speech of his life at the first opportunity he gets in the convention. In an exclusive statement for the Scripps News Association W. J. Bryan today gave his opinion of conditions as they appeared at 9 o'clock: "The situation is unchanged. The additions to the Parker list are not sufficient to insure his nomination. I take it for granted that there will be a strong anti-trust plank in the platform." Far from surrender was the attitude

of the anti-Parker men in touch with Bryan today. The Nebraskan was aroused at all hours of the night, and shortly after 9 o'clock this morning Senator Jones, of Nebraska, sent for him to take part in an important conference, while a series of conferences are planned for today. St. Louis, July 15.—When the anti-Parker leaders learned today that it was known that they had signed an agreement to stand together against Parker, they admitted the existence of such a document. They said they were willing to grant that the Parker forces would attack the on this point, and declared it possible to lose part of their forces, but only through treachery. The Parker leaders were amazed at the adroitness of the move. It is declared that the leaders for favorite sons have signed the compact, as follows: Pettigrew for Hearst; Saulsbury for Gray; Cleveland of Cincinnati for Harmon; Stone for Cockrell, and authorized leaders of Massachusetts and Wisconsin for Olney and Wall. These are the states claimed to be represented in the compact: California 20 votes, Colorado 10, Delaware 6, Florida 5, half of Idaho's 6, Illinois 54, Iowa 26, Kansas 10, one-half of Maryland 16, Nevada 6, New Jersey 24, Ohio 46, Rhode Island 8, South Dakota 8, Utah 8, Washington 10, Wisconsin 26, Wyoming 6, Arizona 6, Hawaii 6, New Mexico 6, Oklahoma 6, Porto Rico 6; total 435. This leaves Parker 557 out of 992 votes in the convention, not counting the Philippine delegation.

reports of all sub-committees save the one considering the Illinois contests. In every instance the committee decided to acknowledge the delegations with the regular credentials, also seating contests from the tenth Indiana and second Maine districts, first, second and seventh New Jersey and twelfth Ohio, first, second, third, fourth, fifth and sixth Pennsylvania districts, first and second South Dakota district, and the District of Columbia. The committee meets again this afternoon to take up the thirteenth Illinois cases. The reports of the sub-committees is unanimous in favor of seating the Hopkins delegates. The New York delegation, at its meeting this morning, referred the resolution by Bourke Cochran to David B. Hill, member of the committee on resolutions, declaring for a plain statement in the platform that the decision of the people on the money issue, as twice expressed at the polls, should be accepted as a final settlement of the question. Senator Bailev, of Texas, has declined the position of permanent chairman of the convention, but will become a member of the committee on resolutions. No decision has yet been reached as to who will be the permanent officers of the convention. Parker Leaders Confident. Parker leaders now estimate that he will have 608 votes on the first ballot. The Hearst strength is estimated at 192, while 140 votes are divided among favorite sons. The latter are expected by the Parkerites to throw their strength to the New York jur-

MANY WANT MILES

Prohibitionists May Yet Nominate the Anti-Canteen Advocate

Chairman Stewart Prepares for Another Convention Providing Swallow Declines

Indianapolis, July 5.—Chairman Stewart, of the Prohibitionist national committee, has secured an option on Tomlinson hall for July 21, and 22. The object is not given out, but it is expected that Swallow will decline the Prohibition nomination, and, in the event that the Democrats at St. Louis refuse to take up Miles' name, another convention will be held, at which the general will be held.

Colorado Rebellion.

St. Louis, July 5.—Gov. Peabody, General Bel and Captain Wells, of the Colorado National Guard, made answer today to the habeas corpus writ issued by Judge Thayer, commanding them to produce President Moyer, of the Western Federation of his action by answering that a rebellion existed and martial law and troops were necessary to suppress it.

A Clever Child Artist.

One of the attractions at the Edison Theatre this week is little Miss Fletcher, a clever singer and dancer. Her work is of a high order, especially her dancing. She is one of the sweetest appearing vaudeville artists that has visited Salem, and should make a hit before the end of her engagement.

WORLD FAIR FIRE

Another Blaze a St. Louis Threatened to Do Great Damage

St. Louis, July 5.—Promptness on the part of Fire Chief Swingley in calling out all the available fire fighting apparatus of the city prevented a serious conflagration at the World's Fair grounds at 2 o'clock this morning. The flames were confined, under the chief's direction, but destroyed the kitchen of the Jerusalem cafe, causing a loss of about \$13,000. Waldie Chacaty, a Syrian, aged 23 years, was severely hurt. The fire originated in the range portion of the kitchen, and was spreading rapidly under a strong wind when the firemen arrived. For a short time it seemed that the art palace adjoining would be destroyed.

GREENS LOSE PAPA

Manager Morrow Packs His Grip and Leaves the Shamrocks

The Roseburg "Shamrocks" have lost their manager, the one and only "Pap" Morrow. Just what caused the divorce, for it seems to be an absolute divorce, is unknown, but, from the reports and rumors, "Pap" just quit and left his happy home, tired and weary of the ups and downs of the life of a brush league magnate.

"Pap" Morrow has a disposition of somewhat an erratic turn, and does not at all time agree with the players. In spite of all this, however, the boys like him, and are sorry to lose him, but they say that they will grin and bear it.

The team arrived in Salem this morning, on the early train from Junction, where they played the Fourth of July game with Eugene. They came to this city in order to save the expense of making the double trip, back home and down here again this week, as the cost of travel would be lessened by coming direct to this city.

After their arrival here the members of the team commenced to josh their manager, and he grew quite angry. He went to his room, and when the street car started for the depot he occupied one of the reserved seats, and is now in Roseburg, where he will probably remain. The team will finish the schedule, until the stockholders elect a new manager, which they will probably do at an early date. The first game of the series will be played in Athletic Park on Thursday.

The report that the Oregon State League was about to disband is without foundation, as the four teams are in good financial condition, and expect to complete the season.

Troops Called Out.

Halifax, July 5.—Troops were called out this morning to protect the property of the Dominion Iron and Steel Company from strikers. Bloodshed is feared, as the strikers are in a desperate state of mind.

Mr. and Mrs. Ed. Poplis, of Turner, were Salem visitors today.
