MAYOR WATERS NAMES

Committee on Extension of Electric Line to Liberty and Rosedale

As chairman of the Liberty railway extension, Mayor Waters, this afternoon appointed the following named gentlemen as a committee to solicit the desired loan for the promotion of that enterprise:

For Liberty—James Gibson and Capt. E. T. Smith.

For Rosedale—L. M. Gilbert and Allen Pemberton.

For Salem—J. M. Kyle, J. G. Graham and Hamlin F. Smith.

This is certainly a strong committee, and it will get to work at an early day. Sentiment seems to be growing in favor of the enterprise, both in Salem and along the route. It is a simple proposition that the extension of the road, and will add a cash value to every acre of land in that section, and it is growing plain to all that an assessment of a few dollars per acre will result in an increase of values far beyond the expectations of the most sanguine.

CLAIMS PARKER WILL BE DEFEATED

list after the first ballot, thus bringing his total strength up to 748. When Illinois, with 54 votes is added, as it is claimed they will be by the Parker men, the Parker vote totals 802, with the doubtful or Hearst states on the second ballot. The anti's, of course, scout the claim.

There is the best authority for the statement this afternoon that the Tammany leaders will give up their fight tonight to prevent the nomination of Parker. Every effort they have made so far to weld the nucleus against Parker's candidacy has come to nothing, and they feel it is purposeless to carry the fight further.

A Tammany leader this afternoon said: "We have told the delegates that Cleveland was the best man to nominate, but they seem to prefer Parker. We have done all we could, but I can see no hope for our campaign." Tammany leaders have heard indirectly this afternoon that Bryant had sent word to Charley Murphy that he was willing to support the candidacy of Mayor McClellan, and would go even so far as to place him in nomination. Murphy's first lieutenant, Delaney, who was manager of McClellan's mayorality campaign, said that no such intimation had been received, while Murphy refused to talk.

Senator Dubois, of Idaho, issued the

following statement this morning:

"I think the ticket will be Parker and Turner. I don't see how any combination can be fixed up that will prevent Parker's nomination, and the best man to place on the ticket with him is Judge Turner of Washington. He is a man of recognized ability, a great lawyer, and his speeches would be sure to be good campaign documents. His nomination would help us carry Colorado, Idaho, Nevada and Montana."

Tammany Will not Oppose. The Tammany leaders met today and decided to withdraw their opposition to Alton B. Parker. The announcement was made by Chairman Murphy.
