Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks.

By the use of Doctor Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

"I am pleased to give my testimony and wish I could find words strong enough to induce other sufferers to use Dr. Pierce's Favorite Prescription."

Dr. Pierce's Pleasant Pellets regulate the bowels.

LONG LOVE TRIP

Plainfield, N. J., Aug. 1.—Miss Isabel A. Law, one of Plainfield's prettiest girls, has started a journey of 10,000 miles to become the bride of H. M. Delaney, her fiancé, at Johannesburg, South Africa.

Miss Law expects to reach Cape Town in six weeks, where the promise made in childhood will be sealed by the bonds of marriage.

Both Mr. Delaney and his fiancé, who is 22 years of age, were school mates in Pennsylvania. Friendship ripened into love, and before the young Philadelphia departed for South Africa two years ago he secured her promise to become his wife when he had become established in business.

Time has been successful with the prospective bridegroom, and now he has one of the most prosperous business enterprises in the South African metropolis, being at the head of a large metal ceiling business.
