## MILLS RECEIVE WHEAT

The Salem Flouring Mill is receiving new wheat, and Mr. Babcock, the manager, reports the quality as first-class.

The average yield is difficult to estimate, as the crops vary widely. One small field produced 25 bushels to the acre, while another tract averaged 24½ bushels. The entire crop for Marion and Polk counties will probably average about 18 bushels. In the vicinity of Buena Vista the yield will exceed that of last year.

### Drug Store Improved.

The drug store of Z. J. Riggs has been improved recently and presents a nobly appearance. New paper and fresh paint are blended harmoniously and bespeak prosperity for the establishment.

## GOOD ROADS EXPERT

J. W. Abbott, the government good roads expert, and G. W. Evans, of Portland, are at the Santiam granite quarries, investigating the rock and may conclude to build a sample mile of crushed granite road in Lane county. The government road machinery will be in that county next month.

### Serenaded H. D. Patton.

The Salem Military band after the concert last evening serenaded Mr. Hal D. Patton at his home opposite Willson avenue. That gentleman responded and made a short talk, thanking the members of the band for their kindness, and then invited them to partake of ice cream and cake. Mr. Patton is an enthusiastic supporter of the band and has devoted considerable time to looking after the financial support of the organization.

## POPULAR BAND. CONCERT

The concert at Willson avenue last evening was one of the most delightful of the series and the band was compelled to respond to many numbers.

Under the leadership of Prof. McElroy the Military band is becoming a fine concert organization and is equal to any one of like pieces in the state. That the people appreciate their excellent music was amply verified last evening at the generous applause bestowed.

### Law Breaker Punished.

State Game Warden Baker is keeping after the game law breakers. On August 1 Deputy Hodson arrested A. Creson, of Douglas county, for killing a female deer. He was fined \$25 and costs.

## BAKER COUNTY BANK

### Closes Its Doors Owing to the Absence of President

Baker City, Aug. 3.—The Bank of Sumpter has assigned all its assets to C. H. McCulloch, an attorney of Sumpter, for the benefit of its creditors.

As the patrons of the Bank of Sumpter, at Sumpter, Oregon, one by one approached the bank, they were confronted with the following notice, which was posted on the door of the bank:

"This bank is closed, pending an investigation."

Not since the failure of the Baker City National bank in this city over 10 years ago have the people of Baker county been confronted with a second failure. The Bank of Sumpter was first opened about five years ago, with A. P. Goss as its president. Early in the year he sold all his interests and as a result Ray H. Miller became president, and H. S. Durgan its secretary. Matters ran along smoothly until about a month ago, when Ray H. Miller suddenly left Sumpter and his present whereabouts are generally unknown. It is not believed, however, that should an examination disclose a shortage, that any of it could be attributed to him. It is generally known that the bank made a good many bad loans, and the hard times in Sumpter following brought about the result that this morning's notice, which was posted upon the door, disclosed. The liabilities are not known.

### Cossacks Led by a Woman.

St. Petersburg, Aug. 3.—The doughty deeds of a brave Russian girl, said to be a Karaïm Jewess, are graphically reported from Mukden. This courageous Hebrew, who is only 20, dresses as a man, calls herself Michael Smolko, and has played a brilliant and helpful part as scout and dragoon. Recently, when some specially dangerous work was necessary, and qualified military men were called upon to volunteer, she was the first to offer her services and reconnoitre the Japanese position in the forest. Several weeks ago she headed a small party of Cossacks, and not only obtained information needed by the Russian commander but successfully drove back a large number of cattle which, having been looted by the Japanese, were taken to their camp by Chinese auxiliaries.

### May Not Know Husband's Fate.

Patterson, N. J., Aug. 3.—John Lyons, who is to be hanged here tomorrow for the murder of John Christian, a watchman, has taken extraordinary care to keep the news of his fate from his wife, and he will die on the gallows without her knowledge if his plans carry. His friends are aiding him in the endeavor and thus far Mrs. Lyons thinks there is hope for him. The woman lives in New York and newspapers containing any reference to her husband's case are kept from her. Lyons still maintains his innocence.

### Of Interest to Sick People.

We have all the sympathy in the world for sick people, and want to treat them in a serious way. There is no humor in pain and affliction, but hard, earnest fact. It is impossible for the patient to impress on others the extent of suffering they endure, and their anxiety for relief. To get well or be relieved is their one thought, any remedy that will bring this about has their everlasting gratitude. We have thousands of letters from people who have had dyspepsia, sick headache and bilious attacks, who tell us how thankful they were for having used Dr. Gunn's Improved Liver Pills. They are sold at all drug stores for 25c per box. Only one for a dose. These pills remove the cause of disease and make the skin clear and healthy looking. For sale by Dr. S. C. Stone, druggist.
