M. Bunakoff and Dr. Martinoff, two members of the committee on rural industry of the Province of Voronetz, who were exiled into Siberia by Minister Plehve, for expressing liberal views have been allowed to return to their homes.

Prince Sviatopolk-Mirsky has also issued an order permitting the Waschol (Sunrise) a Jewish organ here, which Minister Plehve suppressed last spring, to resume publication.

BRYAN'S VIEW OF PLATFORM.

"I shall not misrepresent the situation, or appeal for votes for the ticket upon false grounds. A Democratic victory will mean very little, if any, progress on economic questions so long as the party is under the control of the Wall Street element. * * * The labor plank, as prepared, by Judge Parker's friends on the subcommittee, was a straddling, meaningless plank. * * * The nomination of Judge Parker virtually nullifies the anti-trust plank."—William Jennings Bryan, in "The Commoner," July 13, 1904.

Two severe cases of Ovarian Trouble and two terrible operations avoided. Mrs. Emmons and Mrs. Coleman each tell how they were saved by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a fainting would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true, grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't daily with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LAURA EMMONS, Walkerville, Ont.

Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years I was troubled with ovarian trouble and a painful and inflamed condition, which kept me in bed part of the time. I did so dread a surgical operation. I tried different remedies hoping to get better, but nothing seemed to bring relief until a friend who had been cured of ovarian trouble, through the use of your compound, induced me to try it. I took it faithfully for three months, and at the end of that time was glad to find that I was a well woman. Health is nature's best gift to woman, and if you lose it and can have it restored through Lydia E. Pinkham's Vegetable Compound I feel that all suffering women should know of this."—Mrs. LAURA BELLE COLEMAN, Commercial Hotel, Nashville, Tenn.

It is well to remember such letters as above when some druggist tries to get you to buy something which he says is "just as good." That is impossible, as no other medicine has such a record of cures as Lydia E. Pinkham's Vegetable Compound; accept no other and you will be glad.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
