NOTES FAIR

Almost every county in the state of Oregon will have an exhibit at the Lewis and Clark centennial.

Almost every nation that rises to the dignity of a place on the map will be represented at the Lewis and Clark centennial.

Photographs of several hundred school buildings will form an interesting feature of Oregon's educational exhibit at the Lewis and Clark centen-

Idaho fruit growers will prepare for the Lewis and Clark centennial an apple exhibit which promises to rival those of Oregon and California.

Lewis and Clark souvenir gold dollars are proving popular as Christmas presents. They are mounted as stick pins, or used in groups of two or three as breast pins.

An elegantly mounted wild eat, shot 15 years ago on the site of the agricultural building at the Lewis and Clark centennial, will be on exhibition at

California will probably increase Its appropriation of the Lewis and Clark centennial from \$20,000 to \$65,000 or \$75,000, and build a state pavillion.

Coos county, Oregon, will have a pavillion of its own at the Lewis and Clark centennial. The building will be constructed entirely of Coos county woods, and will be in itself an exhibit of interest.

The legislature of the state of Washington will be asked to appropriate \$75,000 for the erection of a state building and the collection of a suitable exhibit for the Lewis and Clark

centennial. The building which will house Russia's exhibit of paintings by modern Russian artists at the Lewis and Clark centennial will be a replica of an old Moscow palace used by the Romanoff

kings of the early times. Prof R. F. Robinson, superintendent of the Portland public schools, has been chosen superintendent of Oregon's educational exhibit at the Lewis and Clark exposition in place of Prof. H. 8. Lyman who resigned on account of

ill health. The art display at the Lewis and Clark centennial will be of fabulous value, representing more money than will be spent in producing the entire exposition. There will be not a few paintings worth on the market at least [\$100,000 each, and the aggregate value of the display will amount to millions of dollars.

Of Interest to Thin, Weak People. It is perfectly understood by every sick man or woman that if they can get some remedy that will stop the gradual loss of flesh and strength, their recovery is assured. People that are nervous and unsteady, with dizzy spells, weakened memory, and loss of ambition, their blood is thin and watery. It shows in their sallow complexion and tired manner, soon as they commence to gain fiesh they look better and sleep better. To gain from 1 lem, Or. Fall term of twelve weeks to 3 pounds of good solid flesh per week the blood must be made rich and pure. Dr Gunn's Blood and Nerve Tonic puts in the body the very pith of what makes pure rich blood in the most direct way, and cures disease by making strength. This tonic is in tablet form, to be taken right after meals. Sold by all druggists for 75c per box, or 3 for \$2. For women's weakness a better

remedy was never made. For sale by Dr. S. C. Stone, druggist.
