

SOLDIERS ATTEND FAIR

The military will not be neglected in the coming fair at Portland. Besides the encampment of the state militia, which it is planned will be held on the grounds for several days, it is also rumored that 75 picked men will be taken from the O. N. G. and used as guards at the exposition.

The Oregon Agricultural College cadet corps is planning to march from Corvallis to Portland, and camp near the grounds where the fair is held.

This corps consists of 402 youths, well drilled in military maneuvers, while music will be furnished by a cadet band of 30 pieces. The Washington Agricultural College cadet corps likewise plan to be present, 300 strong, they also having their own music.

It has not been learned what style of uniform the boys from Pullman will wear, but the Oregon "farmers" have decided upon a new uniform of olive green. This will make a very pretty uniform, and, with the O. N. G. dressed in olive drab, and the regulars from Vancouver, who will doubtless be in attendance, dressed in the regulation light and dark blue, it will be a gay and martial scene.

Former Salemite Dead.

John G. Schmidt, formerly a partner of Aug. Huckenstein, in this city, died at Grants Pass Saturday, February 11, 1905, aged 48 years.

Mr. Schmidt lived in Salem during

Dr. Stone's Drug Store

does a strictly cash business; owes no one, and no one owes it; carries a large stock; its shelves, counters and show-cases are loaded with drugs, medicines, notions, toilet articles, wines and liquors of all kinds for medical purposes. Dr. Stone is a regular graduate in medicine and has had many years of experience in the practice. Consultations are free. Prescriptions are free, and only regular prices for medicine. Dr. Stone can be found at his drug store, Salem, Oregon, from 6 in the morning until 9 at night.

HE MEANS SCOTT'S

Your doctor says you must take cod liver oil. Probably he means Scott's Emulsion because you cannot take the clear oil; no one can take the clear oil who needs cod liver oil. The doctor understands that and doubtless means Scott's Emulsion of cod liver oil which everybody can take because it is emulsified and prepared so that it can be very easily digested by the most sensitive stomach. Most everybody likes it.

He Takes a Tumble.

Customer—How is it, Mr. Jones, that you have no bicycle rack? I see your neighbors have them.

Mr. Jones—Well, er well, to tell the truth, that is just why I have none.

Customer—But, Mr. Jones, don't you think it is very unfair to compel your customers to occupy your neighbor's rack, and some times force his patrons to go to another store, in order to have a place to put their wheels? Jones—You are right; I never before saw it in that light. I understand that that man Sherwood has five different styles of his rack now, and that he will be out about the 20th of February showing them to the public, I shall order one without further delay. I thank you Mr. Smith for calling my attention to this matter; call again.

PRESIDENT IN NEW YORK

New York, Feb. 13.—President Roosevelt is in New York to fill a series of engagements that will keep him busy for three days. The President, with a party of five, including Secretary Loeb, reached the city this morning by a special train from Washington. Extraordinary police precautions were taken to insure his safety by the authorities of Jersey City as well as of New York. He was met on arrival at Jersey City by a committee from the Republican club, which escorted him to the clubhouse in West Fortieth street, where he held a reception of about an hour. A large part of the remainder of the day the President spent at the home of his sister, Mrs. Douglas Robinson, in Madison avenue.

This evening the President will be the principal speaker at the Republican club's Lincoln Day dinner at the Waldorf-Astoria, where the entire second floor has been engaged. Twelve hundred covers will be laid, and in the Astor gallery 200 women will dine. Senator Dooliver will follow the President, his subject being "Abraham Lincoln." George A. Knight, of California, will speak on "The Republican Party," and ex-Assistant States Attorney-General Beck will respond to the toast "The Unity of the Republic."

Following the banquet of the Republican club, a committee from the New York Press club will escort the President from the Waldorf to the Hotel Astor, here the club's annual dinner is to be held, and at which the President will speak.

WHAT THIS MAN SAYS.

Only Re-Echoes the Sentiment of Thousands in Our Republic.

The Salem reader is asked to thoroughly investigate the following. This can readily be done, for the gentleman whose statement is published below will only be too pleased to answer any communications mailed to him if the writer really suffers from the annoying consequence which always attends inactive or weakened kidneys.

C. Pratt, carpenter, residing one and a half miles from Albany, says: "Doan's Kidney Pills were so highly spoken of to me by a friend who had used them that I decided to give them a trial and procured a box. I overtaxed myself and brought on severe backache. I paid little attention to it at first, but it gradually grew worse. When I did anything which caused a strain upon my back or took a severe cold I was sure to suffer from severe pain across my loins. I started in using Doan's Kidney Pills as directed and they helped me from the first. By the time I had finished taking them the pain had entirely disappeared."

Plenty more proof like this from Salem people. Call at Dr. Stone's drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

The Tashmo.

Did you ever try the Tashmo, the best 1 1/2c cigar manufactured. Well, they are it, and Aug. Huckenstein makes them.

The Best Medicine for Mothers Dr. Pierce's Favorite Prescription

"Words cannot express how grateful I am for your kind advice and your 'Favorite Prescription,' writes Mrs. D. B. Barricks, of Penning, Campbell Co., Va. 'I feel that it has cured me. I had been in poor health for four years. Suffered greatly with my right side, also with bearing down pains, and my nerves were in a dreadful state. After using four bottles of your 'Favorite Prescription' I am now well. I am the mother of two children. With the first child I suffered twenty-eight hours, and with the second I used your medicine and was sick only three hours. I believe Dr. Pierce's Favorite Prescription to be the best medicine in the world for suffering females. I wish you great success, and hope that God will bless you in your noble work."

Dr. Pierce's Common Sense Medical Adviser in paper covers is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
