AMUSEMENTS

TONIGHT.
Edison—Vaudeville.
EDISON'S SPLENDID PROGRAM.
Bill Presented for This Half of the Week Is Exceptionally Good.

Mr. George C. L. Snyder continues to make a big hit at the vaudeville theatre, his big bass voice sounding to great advantage when rendering the grand old song, "The Holy City." Last night as an encore Mr. Snyder rendered "The Armorer's Song," from "Robin Hood." This number came as a pleasant surprise to the patrons of the little theatre, and they were quick to show their appreciation. The dog, Ted, continues to please all who watch him go through his routine of difficult feats, and the wondering question is how on earth did Mr. McKenna teach a dog to do such remarkable things. Stanley and Carlise in the comedy sketch, "Mrs. O'Grady's Washday," create many a hearty laugh, and Mr. Stanley's work on the slack wire is extremely difficult, and the comedy is well thought out. Arthur Seymour has a neat Dutch monologue, with which he wins every audience. The illustrated song is a story that is pathetic and beautifully pictured.

Would You "Worry" for Five Cents an Hour

Your work is probably hard enough—after you have subtracted the "worry" from it. It will be a bit too hard for you if you cultivate the luxury of worrying. Because you need a new clerk, or new servant, or partner, or stenographer, or more business capital—some of these things need to worry you. A Want Ad. big enough to be effective will cost you less than twelve hours of worry at five cents an hour. And the chances are that your want can be filled in twelve hours or less. Is it worth five cents an hour to secure immunity from worry?

PLACE YOUR WANT AD IN THE JOURNAL.
It will bring results.

RUSSIAS TROUBLES

St. Petersburg, July 22.—An order has been issued to the Cossacks to replace the marines who have been guarding the Kolpino works outside of St. Petersburg. A plot on the part of the marines to mutiny has been discovered.

Bialystock, Poland, July 22.—Three were killed by an explosion of a bomb thrown at Chief of Police Pielkin last night. Thirteen others, including the chief and his son, were injured. The bomb was thrown while the police officials were mingling with a crowd in the center of the city.

Odesa, Russia, July 22.—Reports from Sebastopol state the crews of the Black Sea fleet are again on the point of mutiny, and the maneuvers of the fleet have been canceled in consequence.

At Quarta Misheva, peasants who are complaining of exorbitant rents were attacked by Cossacks and infantry; three were killed, eleven wounded, and 120 arrested.

Newman Chautauqua.

Newman, Ga., July 22.—Everything is in readiness for the opening of the great chautauqua, with the sermon of Dr. G. W. Bull of Nashville tomorrow. There are already a great many visitors in the city who will stay during the week and others are coming in on every train. There have been a number of additions to the original program, and many believe that it is the most attractive chautauqua program that has ever been presented in the south.

Sickening Shivering Fits

of ague and malaria, can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life. At J. C. Perry's drug store; price 50c guaranteed."

A Grim Tragedy

is daily enacted, in thousands of homes as death claims, in each one, another victim of consumption or pneumonia. But when coughs and colds are properly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for consumption, coughs and colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1.00 by J. C. Perry, druggist. Trial bottle free.
