NOT THE WAY TO MAKE A CON GRESSMAN.

The Salem plan of a mud-stinging campaign to defeat Hon. Walter Tonze of Woodburn in his effort to get the Republican nomination for congressman will not succeed.

The mud-batteries opened up early and were first conducted by same pretended friends, but in reality enemies, of Hon. C. B. Moores, WHO USED ANONYMOUS COMMUNICATIONS TO ATTACK ME, TOOZE.

It did not hurt Mr. Tooze, and he never replied, but it did make people heritate about taking up the cause of a caudidate who allowed such things to be done without protest, Mr. Moores withdrew,

We think of nourishment as food-meats, soups, vegetables, etc., but that's only half. It's not the food alone that counts but the good that we get from food that furnishes steak is of less value to a weak stomach than a crust of bread is to a strong digestion. But weak stomachs can be made strong. Begin by eating less; have regular hours for meals; avoid fancy things and about a half hour after eating take a tablespoonful of Scott's Emulsion. It's a fact of medical history that people have lived on not much else but Scott's Emulsion for a long time -not only lived but gained flesh and recovered man their preferences: their strength and health. From the pure Norwegian cod liver oil to the last drop of glycerine, Scott's Emulsion contains just the strengthgiving and health-building elements needed for low vitality, weak digestion and poorly
