## INSURANCE COMPANIES ARE SAFE

Deposits With the Secretary  
of State Amount to  
Three Millions

That the anxiety of the policy holders  
in Oregon might be allayed, and that  
all those uneasy concerning the present  
security of fire insurance companies au-  
thorized to transact business in the  
state of Oregon, Secretary of State  
Dunbar, as insurance commissioner, has  
given out a public statement which is  
in part as follows:

"All contracts with companies doing  
business in the state are protected by  
deposits with the state treasurer  
amounting to \$3,100,000, being \$50,000  
deposited by each of the 58 companies  
and \$100,000 by two companies which  
are licensed to transact business.

"Only companies having ample cap-  
ital and surplus are in a position to com-  
ply with the laws of our state, conse-  
quently, only those companies which  
can stand such losses as have occurred  
in San Francisco enter Oregon.

"In the event any fire insurance  
company doing business in Oregon  
should become bankrupt by reason of  
its losses in San Francisco, the deposit  
with the state treasurer will be held  
as security for the payment of all  
claims and demands of its policy hold-  
ers in this state, and cannot be with-  
drawn for the payment of losses outside  
of this state.

"All the companies transacting busi-  
ness in Oregon were able to meet with  
ease and promptness the large losses  
incurred during 1904 in Baltimore,  
Maryland, thus evidencing their solv-  
ency and financial strength.

"I am advised by foreign compan-  
ies that they are providing funds to  
meet their San Francisco losses, and do  
not expect that it will be necessary to  
call upon their United States funds in  
the least degree."

### Wait for Request.

The relief committee, which has  
charge of gathering provisions, extends  
its hearty thanks to all contributors to  
the fund, and requests that no more  
bread be baked, nor provisions sent,  
until further order is given. General  
Funston has wired that San Francisco  
was receiving more supplies than could  
properly be handled at this time, and to  
wait for demand from San Francisco  
before further consignments were made.

### Aid for the Sufferers.

Another freight train, consisting of  
10 or 12 cars, loaded with provisions  
for the California sufferers passed  
through yesterday afternoon. The dif-  
ferent cars bore placards showing from  
what towns the contributions were  
made. Among the cities sending sup-  
plies were Baker City, Dayton, Wash-  
ing, and Portland. Some cars bore the  
legend, "Rush supplies for California suf-  
ferers."

### Mrs. Stiles Unheard From.

Word has been received here from  
John Stiles, of San Francisco, a former  
Salem man, who, with his wife, was for  
many years employed at the asylum  
here. Mr. Stiles is in the employ of  
the Southern Pacific. Up to the time  
the letter was written Mr. Stiles had  
been unable to get any word from his  
wife, who, at the time of the quake,  
was at Agnew near San Jose.

### Many Will Go East.

The California refugees who passed  
through Salem Monday are not all des-  
tined to remain in Portland. Many are  
going to the Sound cities, and larger  
numbers are bound for Wisconsin,  
Minnesota and the Middle States. Many  
of the younger men are determined to  
return to San Francisco as soon as the  
business houses are built anew.

### A Thoughtful Act.

D. J. Fry, the druggist, did a kind  
and thoughtful act Monday. He sent  
down to the depot a basketful of little  
bottles, provided with nipples, for the  
little babies. It proved to be one of  
the most acceptable donations made.

### Mrs. Holmes and Son Safe.

H. S. Jory received word from his  
niece, Mrs. Mary A. Holmes, at San  
Francisco, saying she and her son were  
safe, and have plenty of water and pro-  
visions, but have lost everything.

### Some Coffee.

George Bros. supplied 32 gallons of  
coffee for the sufferers Monday.

O. K. Dewitt, who works in the  
George Bros. restaurant, has a letter  
today from his uncle, B. A. Hale, of San  
Francisco, who says he lost all he had,  
and was left in the world with his fam-  
ily and \$3.75.

## MARION COUNTY CANVASS

Official Count Will not Be  
Completed Before  
Wednesday

County Clerk Roland, assisted by Jus-  
tices Queener and Overton, are making  
the official canvass. They will not com-  
plete the work before Wednesday, and  
find many errors and failures to com-  
ply with the letter of the law.

The ticket is nominated in this coun-  
ty as has been published, excepting that  
Hofer and Simmons, for representa-  
tive, are very close, and it will take the  
official count to determine.

All talk of Mr. Hofer contesting the  
election is unauthorized, as he concedes  
Mr. Simmons to be elected, and thinks  
the farmers would be much better rep-  
resented with Mr. Simmons on the tick-  
et.

### Sir Knights, Attention.

There will be a special meeting of  
DeMolay Commandery No. 5 this even-  
ing at 8 p. m. The Order of the Temple  
will be conferred. All sir knights are  
urged to be present.

F. A. TURNER, Recorder.

### Former Salem People Safe.

Mrs. C. T. McIntire received word  
from her sister and husband, Mr. and  
Mrs. B. E. Critchlow of San Jose, Cal.,  
Sunday. Mr. Critchlow was in the  
midst of the burned district, and where  
the quake did the most damage. He  
says he is safe and unhurt. Mrs.  
Critchlow, who was visiting in San  
Bernardino, and who was on her way  
home to San Jose, got as far as Bak-  
ersfield, where the railroad was cut off.  
The Critchlows are former Salem peo-  
ple. Mr. Critchlow was engaged in the  
furniture business in San Jose.

### Santa Rosa Republican.

Santa Rosa has suffered the greatest  
disaster in all its history, and is now  
a mass of ruins. But her spirit, thank  
God, still lives.

Phoenix-like, the city will rise from  
its own ashes. The new Santa Rosa  
will be better than the old. Fourth  
street will be straightened and wide-  
ned, and many other improvements will  
be made. It will take time, pluck and  
perseverance, of course, but it will be  
done. Santa Rosa is not downed even  
yet.

### It Was a Good Place to Stop.

Sixteen of the California refugees  
were left at Eugene by the train that  
passed through here yesterday after-  
noon. It was given out that all would  
have ample time to partake of the  
bountiful treat spread for them by the  
people of Eugene, and a number of pas-  
sengers failed to hear the signal. They  
were cared for, however, by some of the  
generous people of Eugene, and con-  
tinued their journey northward on the  
next train.

### More Refugees Today.

Another train load of California refu-  
gees passed through Salem at noon  
today, and were greeted by a large  
crowd. As other cities along the route  
had cared for them, nothing in the way  
of preparing lunches for the northbound  
pilgrims was attempted by the local  
relief committees. Many of Salem's  
generous women, however, were at the  
depot with lunch baskets and other pro-  
visions for any that might be in need.

### From California's Governor.

Governor Chamberlain has received  
the following telegram from Governor  
Pardee, filed at Oakland April 22d,  
sent on the 24th: "Many thanks for  
your general order No. 8, under which  
members of your hospital corps have  
reported to me, and have been assigned  
to duty. Regards to your adjutant-gen-  
eral. No epidemic here."

### Salem Party Arrives.

Harry P. Keller, wife and child, E.  
W. Tillson and wife, Mrs. W. C. Tillson  
and Miss Mae Tillson have arrived  
from the earthquake city, and are hap-  
py to be on terra firma. Mrs. Tillson  
and daughter were going to San Fran-  
cisco to visit her son, and got as far  
as Oakland when the quake occurred.

### Added to the Funds.

Messrs. Densmore and Hamilton were  
busy soliciting funds at the station  
Monday morning, and added a neat sum  
to the general fund for the San Fran-  
cisco sufferers.

### Cures Coughs and Colds.

Mrs. C. Peterson, 25 Lake st., To-  
peka, Kas., says "Of all cough reme-  
dies Ballard's Horehound Syrup is my  
favorite; it has done and will do all  
that is claimed for it—to speedily cure  
all coughs and colds—and it is so sweet  
and pleasant to the taste. Sold by D.  
J. Fry.

tion, and to discuss any and all mat-  
ters connected with the present cam-

Chairman of the Congressional Com-  
mittee of the First District of Oregon.

evidence.

### ADDITIONAL PERSONALS.

Claud McCully has returned from a  
visit at his home at Halsey.

Superintendent Ackerman visited the  
schools in Albany yesterday.

Mr. and Mrs. Vanderhaus, of Eugene  
were Salem visitors yesterday.

Mrs. H. H. Ling and little baby girl  
arrived here this morning to visit for  
several weeks at the home of her pa-  
rents.

Lind, of Minnesota, was a visitor at the  
state house today. He is connected  
with a large lumber company at Ever-  
ett, Wash.

### It Belongs to Him, Anyway.

St. Petersburg, April 24.—The car  
personally opened the Douma.

### To Lay the Corner Stone.

President Coleman, of the University,  
gave out today that the exercises con-  
nected with the laying of the corner  
stone of the new Kimball theological  
seminary would take place May 1st. One  
of the regretful things with reference  
to the ceremony is that Dr. Kimball, of  
Spokane, will not be present, as he is  
away on a business trip East.

Prominent speakers from the Metho-  
dist clergy and laity of the state of  
Washington and Idaho will be present.

but no definite program has yet  
arranged for the occasion.
