Our trade on Sharples separators this spring is already more than three times that of 1905.

REASON ENOUGH.

The efficiency of the machine has long since been proven.

The convenience of the low supply reservoir and the enclosed gears running in oil is acknowledged by all.

The long, smooth bowl with but one inside part to clean is a labor-saver for the women.

And the light-running features please the people who have strained their backs over other types of separators.

Call and inspect the machines. We sell on easy installments, payable monthly when you get your cream checks.

We guarantee the Sharples to run over its rated capacity every time, to skim as clean as any machine ever made (and much closer than some) and to turn lighter than any machine of its capacity.

To Hop Growers and Dealers.

Last winter we circulated a petition among all the hop growers of Oregon, addressed to the Transcontinental Freight Bureau, praying that the present freight rate of \$2.00 per cwt. be reduced to \$1.00 per cwt. The petitions were destroyed in the late San Francisco fire.

The Transcontinental Freight Bureau will meet in Chicago June 4, 1906, and as the time is too short to circulate a new petition, we ask all growers favoring this petition to write at once to E. Clemens Horst Company, 48 Dearborn street, Chicago, Ill., asking them to use your names in connection with the reduction of the rate.

COD LIVER OIL

It almost makes you sick to think of it, but it isn't nearly as bad as it used to be. The improved method of refining it makes it much easier to take, and when made into Scott's Emulsion almost every one can take it. Most children like it and all children that are not robust are benefited by it. When the doctor says "Take cod liver oil," he generally means Scott's Emulsion; ask him if he doesn't. They know it is more easily digested and better than the plain oil.

Boys' Club Tonight.

Any boys not members of the club, who wish to go on the camping trip, should attend this meeting.

For Weak, Languid People.

Weak, sickly people often remark, "If I could only get something that would nourish me and give me strength," they do not know why, but the food they eat is of no benefit to them, they gain no flesh and feel no stronger. The fact is the stomach is too weak to perform its work, and the little appetite they once had is soon gone. The blood becomes more thin and watery, bringing on faint sick spells with loss of memory and ambition. There is a remedy for all this that acts in the right way. It is called Dr. Gunn's Blood and Nerve Tonic, and is sold by all druggists for 75c per box, or 3 boxes for \$2. It turns the food you eat into rich, red blood, making flesh and strength, creating an appetite because the system demands sustenance.

School Notes.

The victorious baseball boys were asked by Mr. Marlatt to take places on the platform at the opening of school this morning. They were complimented in a number of ways by Mr. Marlatt in his short talk. Immediately after he finished the boys started in regular order and passed over the stage shaking hands with and congratulating the team. The best thing of all is that the team is entirely of high school students in good standing. It is a practical demonstration to the high school students that it is not necessary to play ringers, in order to have a good team.

The cards were distributed this morning. This is the last time before the final standings are marked. The teachers will have the last three days to make out the term reports.

A number of students have asked to leave the school early, and have their grades sent after them. Mr. Marlatt announced to the student body this morning that all students who expected to finish their term's work must stay to the last.

Memorial Day Exercises.

The Salem public schools will inaugurate Memorial Day exercises on Friday, May 25th, by rendering a specially prepared program, suitable for the occasion. These exercises will begin at 1:30 p. m. of said day. There will be a delegation from Sedgwick Post, G. A. R., at each school. On Sunday, the 27th, the veterans of the above wars and members of the Woman's Relief Corps, escorted by Company M, O. N. G., will march to the M. E. church, where they will attend divine services. Members of Sedgwick Post, G. A. R., and other veterans and the W. R. C. are urged to meet at the post rooms, corner of Commercial and Perry streets, at 10 a. m., sharp to form for marching to the church. On Wednesday, May 30th, the usual decoration exercises will be observed, by a parade through the principal streets of Salem, the decoration of the soldiers' graves in the several cemeteries, and the ritualistic services at the soldiers' monument, followed by a meeting at night at the M. E. church, where a suitable program will be given, and an address delivered by Rev. Errett, of the Christian church.

RESOLVED!

THAT SOME PEOPLE DON'T KNOW HOW TO DRESS THEMSELVES, WHY DON'T THEY GO TO A SHOP THAT MAKES A SPECIALTY OF DRESSING PEOPLE? WHEN YOU ARE SICK YOU DON'T DOCTOR YOURSELF. YOU DON'T DO YOUR OWN LAW BUSINESS. LET ONE DRESS YOU WHO KNOWS HOW.

BUSTER BROWN.

YES, A BUSINESS MAN IS JUST AS MUCH A "PROFESSIONAL" MAN AS IS A LAWYER OR DOCTOR. THERE ARE GOOD LAWYERS AND DOCTORS AND BAD ONES. YOU GO TO THE DOCTOR WHO HAS A REPUTATION. WHEN YOU ARE CLOTHES-SICK WHY NOT COME TO THE MERCHANT WHO KNOWS WHAT TO PRESCRIBE FOR YOU? OUR REPUTATION IS OUR DIPLOMA. ASK OUR PATRONS WHETHER OR NOT WE HAVE GIVEN THEM CLOTHES THAT HAVE CURED THEM FROM LOOKING BAD AND MADE THEM FEEL GOOD. ASK THEM IF WE HAVE OVERCHARGED THEM. JUDGE FOR YOURSELF. A SUIT FOR \$12.50 TO \$35.00.

If your old suit needs just a "little tonic"—Neckties, Collars and Cuffs, Shirts, Hosiery and Underwear, we have that, too. No one likes medicine that tastes bad when he takes it. We try to sugar-coat all of our medicines with polite attention to every patron.
