EVERY PRINCIPAL OF THE CHICAGO STORE

IS FOUNDED ON

Honor and honesty. Our foremost thought always is to give our customers better and better values all the time. That is the reason our business has grown to such wonderful proportions in such a short time. A business cannot grow so quick unless it has the confidence of the people; and that confidence is growing greater and stronger all the time. Judging from the way our business is growing we will sell this year nearly double the amount of goods we sold last year. We are growing every day.
