WOODBURN BEAT ASTORIA.
Played Good Game at Woodburn Yesterday.

Woodburn shut out Astoria Sunday in one of the Tri-City League games at Woodburn, by the score of 5 to 0. It was exciting from the start, Woodburn playing the better and more scientific game at all times. The features of the game were three fast double plays pulled off by the Woodburn men.

The Frakes and Woodburn are still tied in the league standing, and it is generally said that the pennant lies between these two teams. If Woodburn can beat the Trunkmakers here in the big game on the Fourth, they will be able to put in a strong bid for a front place in the league.

DROWNED IN WATER TANK.

Allen Howell Commits Suicide at the Asylum Farm.

Allen Howell, an employe at the Asylum farm, committed suicide early Sunday morning. He climbed the ladder leading up to the water tanks or reservoir, into which the water is pumped to supply the buildings at the farm, and plunged in. He had had a pretty severe attack of measles, from which he was just recovering, and was very despondent. His body was found by his fellow employes. Richter and S. W. Way, and was taken in charge by Coroner Clough, and prepared for shipment. Howell was about 28 years old, and came to Oregon from New York about two years ago. His mother resides in New York, and it is expected will order the body shipped back to her. Allen left a couple of notes, one to his mother, saying he knew his act would nearly break her heart, but he could not help doing it, as he was tired of life. And another to a friend at the asylum farm telling him good-bye.

J. P. Jones, traveling passenger agent for the Southern Pacific, who had been in the hospital here for several days, was taken to Portland yesterday.

SOME FINE FISH.

Would Attract Attention if It Wasn't School Ma'am Day.

There was an exhibition of six trout in Hauser Bros.' window, on Commercial street, this morning that made every angler who saw them think of his probable summer fishing trip and anxious to get started on it. The fish were caught by W. P. Babcock, of this city, in a day's fishing on the Santiam yesterday, near MePama, with Tom Smith, of Stayton, Babcock's whole catch counted up to 70, but the six on exhibition were some of the largest. Of the six fish the smallest was about 16 inches, and the largest 17 1/4 inches long, and could be just held on two large plates. They were all landed with a five-ounce rod.
