BOARD OF HEALTH.

Hold Annual Session Here Yesterday and Elect Officers.

The Oregon State Board of Health held its regular annual session in the offices of Dr. W. B. Morse, in this city, yesterday and, besides a large amount of routine business and minor matters, elected the following officers for the ensuing year: Dr. Kinney, president; Dr. A. C. Smith, vice-president; and Dr. Yenny, secretary. Health Officer W. Carlton Smith

was given a vote of thanks for the efficient work he had done in aiding Salem to be a healthful and sanitary city.

It was decided to investigate the various state institutions, and make recommendations for the betterment of their sanitary conditions at the next meeting.

The sanitary conditions of many of the hop yards and orchards, where hundreds camp each year, was also discussed, and an effort will be made for the betterment of camp grounds, and their water supplies.

The place of the next meeting of the board was not announced, as it is the custom to meet in the locality where the conditions most need improvement.

Those present at the meeting were Drs. E. B. Pickel, Medford; Alfred C. Kinney, Astoria; E. A. Pierce, Portland; R. C. Yenny, Portland, and W. B. Morse, of this city.

BEQUEATHS A FOUNTAIN TO SALEM

Mrs. Louise Waite Provides in Her Will for the Erection of a Memorial Fountain in Willson Avenue.

In a lengthy will which has been filed in probate, Mrs. Louise Waite, deceased, remembers her many loving friends and relatives with various articles of her personal property, including silverware, jewelry, paintings and furniture, and provides for the erection of an elegant fountain in Willson avenue.

The executor was directed to sell the piano and bookcase and forward the proceeds to a sister, Bertha Sohst, in Hamburg, Germany.

Donates Water Fountain.

"I direct," says she in her will, "my executor to sell the east one-half of lots 1 and 2, in block 17, in University addition, and any and all other real property of which I may die seized, as soon as my executors can obtain a fair price for the same, and from the sum realized from the sale, and the sale and collection of said personal property" (other than that provided for) "I give and bequeath to Fred E. Breyman, of Portland, son of my brother, E. A. Breyman, the sum of five hundred dollars and the residue of the money derived from said sales, and the whole thereof, I direct my executor to use in the purchase, erection and placing of a water fountain in Willson avenue to be named 'The E. M. Waite Memorial Fountain,' said fountain to be erected and presented to the City of Salem by said executor, provided said city shall agree to protect and maintain said fountain and supply the same with water and lights, or both, to the end that the same shall be useful and ornamental."

C. L. McNary was named executor of the will, to serve without bonds.

DEBATING TRYOUT TONIGHT.

Young Men of W. U. Will Battle for Honor of Representing Their Alma Mater.

A debating tryout will be held in Willamette University chapel tonight for the purpose of selecting the teams which will debate in the tri-college league formed by Willamette University, O. A. C. and Whitman. Each school chooses three teams, so that a debate may be held at each institution at the same time. The theme which will be discussed between Willamette and O. A. C. here this year is upon the ship subsidy question. A phase of the Japanese immigration laws will be debated this evening.

BEAUTIFUL AND HEALTHY

Pe-ru-na is Praised By a Multitude of Fair Women.

Mrs. E. D. LAWSON.

Catarrh and Deafness. Mrs. E. D. Lawson, Navasota, Tex., writes:

"It is with great pleasure that I write to tell you that my little daughter is entirely cured of catarrh and deafness and is in better health than she has been for the past two years. Peruna is truly a great medicine and I cannot say too much in praise of it. It has done for my little girl what doctors have failed to do. She has taken not quite three bottles."

If the practical women of the world who use family medicines, were asked which is the most reliable family medicine in use today, a great majority of them would reply, without hesitation, Peruna.

Peruna is especially praised by the women because they have abundant opportunity to note its prompt effects in relieving the various ills to which the family is liable.

Coughs, colds, indigestion, colic, kidney and bladder trouble, nervous weakness, loss of appetite, irregular circulation—all these and many other ailments dependent upon the exigencies of climate are promptly relieved by Peruna.

Peruna has been prescribed for the family by Dr. Hartman for over forty years. It has become a standard medicine throughout the greater part of the civilized world.
