

BASEBALL BITS

BY JOCK

The Salem Cherry Pickers had the services of Joe Fay Sunday. Without a doubt Joe is one of the best ball men now playing in the Oregon bushes, and can hold a position

upon any team he desires. It is reported that Fay will soon be a married man. We'll just take a cold bottle, Joe.

Harvey Newell, Salem's foxy shortstop, was in fine form Saturday and Sunday, getting everything and playing an almost errorless game. Saturday he made a wild throw to first, but had a good excuse, having

NATURE AND A WOMAN'S WORK

LYDIA E. PINKHAM

Nature and a woman's work combined have produced the grandest remedy for woman's ills that the world has ever known.

In the good old-fashioned days of our grandmothers they relied upon the roots and herbs of the field to cure disease and mitigate suffering.

The Indians on our Western Plains to-day can produce roots and herbs for every ailment, and cure diseases that baffle the most skilled physicians who have spent years in the study of drugs.

From the roots and herbs of the field Lydia E. Pinkham more than thirty years ago gave to the women of the world a remedy for their peculiar ills, more potent and efficacious than any combination of drugs.

Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for woman's ills.

Mrs. Bertha Muff, of 515 N.C. St., Louisiana, Mo., writes:

"Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my troubles public.

"For twelve years I had been suffering with the worst forms of female ills. During that time I had eleven different physicians without help. No tongue can tell what I suffered, and at times I could hardly walk. About two years ago I wrote Mrs. Pinkham for advice. I followed it, and can truly say that Lydia E. Pinkham's Vegetable Compound did for Mrs. Muff, it will do for other suffering women.

stabbed a 40-mile a minute ground-er on the dead run and throwing to Cary on grt unable to slow down.

Tim Concannon pitched a good swift game for Vancouver Sunday, and had been blessed with the same kind of backing, things would no doubt have turned out different for the visiting team.

Heyser, the local backstop, played his game as well as usual in both games against Vancouver. The Salem management copped out the proper article in the big German catcher.

Marshall, Woodburn's new center pin, won his game against the West Portland lads Sunday afternoon, which put Woodburn to the top of the list. Howard, West Portland's pitcher gave Marshall a nice little run for his game, though.

Floyd Meyers had just about a four foot out-twister Sunday, and the Vancouver visitors had the time of their lives turning back flips to get away from them, though most of the rambling kind ended up over the pan.

The first and second Fairmount club baseball whippers took a trip out of town Sunday. The first bunch played in Willsonville with Company A soldiers of Portland, and walked away with a 16 to 2 game. The second team lads went to Jefferson where they received a walloping at the hands of the Jeffersonians to the tune of 5 to 0.

Denis Hull and Arch Jerman, two Salem pitchers, and Porterfield, a third baseman, left Saturday evening for Victoria where they join the Willamette University team in their tour up north. The three Cherry Pickers "said" they would return by Saturday next.

Fenton, the new recruit picked up by the Salem management over in Dallas, is sure a ball player and will prove a good help to the local aggregation. Fenton was placed in right-field Sunday where he played a splendid game. The big fellow is a first class base runner too.

Ott, a leftfielder for the Cherry Pickers, hit the sphere every time up Sunday. Ott is an exceptionally heavy lad with the stick, and his field work is as fast as the best of them in his class.

The Portland Albina management have collected a new bunch of players together now, on which are a number of men with good reps. in the amateur line. The new band succeeded in running up five scores against Oregon City's eight Sunday, which is traveling at a better rate than the old bunch.

Joe Shea, a brother of Danny Shea the well known big league catcher, done the trick behind the plate for

Vancouver Sunday. Joe has not the experience of his brother Dan, but he is the coming kid behind the score sack.

The Young Men's Republican club met in the city hall last evening and arranged for the big rally which is to take place tomorrow evening. All the plans are completed, and the various committees are at work to-day getting things in shape for the meeting.

At the meeting at the opera house tomorrow night all the county candidates will be present. These, together with many other Republican dignitaries, will also take part in the parade. There will be three brass bands, 300 torch bearers, automobiles, carriages, floats and red fire.

The parade will start at 8:30 from the Willamette hotel. It will move down Commercial street to Chemeketa, east on Chemeketa to Church, up Church to Court, west on Court to Liberty, up Liberty to State, west on State to Commercial, down Commercial to Court, west on Court to opera house.

If work and enthusiasm count for anything the demonstration by the Young Men's Republican club tomorrow night will be one of the biggest ever attempted in this city.

COMMON SENSE VS. STRONG DRUGS

Simple Oil of Wintergreen Cures Eczema and Drives Out Old Fogy Treatment.

If you were to hack your finger or scald your arm, you would apply some healing remedy as soon as possible, wouldn't you?

That would be good common sense and it would bring the quickest relief. You surely would never think of drinking medicine or doctoring the blood to cure a surface affliction.

It's just the same principle with diseases of the skin. Eczema, psoriasis, salt rheum and barber's itch can be cured and cured easily if you strike right at the trouble as you do with a cut or burn.

The cause of itching, burning skin diseases according to modern science is a germ which feeds upon the weaker parts of the skin. To kill these skin bacilli which produce the itching sores and ugly red blotches, use the famous prescription of oil of wintergreen, glycerine and thymol, commonly known as D. D. D. Prescription. This mild liquid was advocated by a prominent skin specialist, Dr. Dennis, of Chicago, long before it was adopted generally. This liquid is called D. D. D. Prescription. It is a positive specific for all skin diseases.

Don't dose the stomach. Cure the skin through the skin. We know D. D. D. and vouch for it. Call at our store and let us explain. The Capital Drug Co. Booklet on skin diseases free.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depeud upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
