CHAMBERLAIN GAINS

FISH BILLS, RECALL, STATEMENT
I, PROPORTIONED REPRESENTATION,
AND UNIVERSITY APPROPRIATION WINS.

(United Press Leased Wire.)
Portland, Or., June 4.—Governor
Chamberlain's plurality over H. M.
Cake in the United States senatorial
contest is more than 1800 votes, ac-
cording to the latest returns. Most
of the counties have completed their
count and many of them show that
the governor has been given heavier
vote than had been estimated hereto-
fore.
His lead is already 1546.

Bryan Congratulates Chamberlain.

Governor Chamberlain received
the following from Wm. J. Bryan:
"Accept hearty congratulations.
You have won a great victory."
WILLIAM J. BRYAN."

Fulton Advises Disregard of State-
ment No. 1.

Washington, June 4.—Popular
election of Governor Chamberlain to
the United States senate was a bitter
pill for Senator Fulton, whom Cham-
berlain succeeds and whom H. M. Cake
defeated in the primaries, and to
day he opened his campaign
against the governor's ratification
by the state legislature.

After explaining that every legis-
lator swears to uphold the constitu-
tion of the United States and that he
must exercise his own judgment in
all things, Fulton asks if a Republi-
can could honestly elect a Democrat
to the senate if he used his own
judgment.
"So far as I am concerned," he
said, "the Republican legislature
ought not to elect Mr. Chamberlain
because he is a Democrat."

"ALLIES" BRING UP NEW IDEA

TO BEAT BILL TAFT

ACCUSE HIM OF ATTEMPTING TO
DISFRANCHISE THE NEGRO
REPUBLICAN VOTERS — FAT
CANDIDATE NOT WORRIED.

(United Press Leased Wire.)
Chicago, June 4.—Major C. F.
Bryan, counsel for the anti-Taft "al-
lies" in the contests before the na-
tional committee, arrived here today
and charged that the Roosevelt ad-
ministration is responsible for the
alleged effort to disfranchise the
negro Republicans in the south.
Following up the lines of the
Browne's agitation the defection
of the negro vote from Taft is being
used as an argument of the "allies"
in their fight against the secretary
of war.

Major Bryan was full of confi-
dence and talked vigorously about
the methods about the methods that
he alleges have been employed by
the Taft agents throughout the
south in an effort to prevent the
negroes from having a voice in the
instructions of delegates. He will
make a strong fight against the seat-
ing any of the delegates from rump
conventions held by the Taft men.

Attorney Keegan, of Washington,
who represents the Taft delegates,
also arrived today. Charles P. Taft,
of Cincinnati, brother of the secre-
tary, reached here today, too, and
was prominent among the crowd at
the Taft headquarters.

Frank H. Hitchcock, the Taft
manager, says he is not worried by
the "boasts" of the "allies." He is
perfectly confident that Taft will be
nominated on the first ballot, he
says. He claims 564 delegates for
Taft of which 517 are instructed;
36 pledged and 31 have declared
their intention to vote for Taft.

KING EDWARD CAN
VISIT THE CZAR

(United Press Leased Wire.)
London, June 4.—After a hot de-
bate in which personalities were
freely indulged in, the labor party
in the house of commons today led
their fight to prevent King Edward
from visiting Reval to pay his
respects to Czar Nicholas.
The labor men were overwhelm-
ingly defeated by a vote of 225 to
69. When the first announcement
was made that the king contem-
plated a trip to see the czar the mem-
bers of the labor party gave notice
of their opposition to the plan by
bringing the matter up in the house
of commons for a vote. Their en-
tire strength was mustered to get a
favorable vote, but they failed.

HENRY D. CLAYTON WILL
BE DEMOCRAT CHAIRMAN

(United Press Leased Wire.)
Washington, June 4.—It was an-
nounced here today that Henry D.
Clayton, representative from Ala-
bama and one of the foremost
southern Democrats, will be the tem-
porary chairman of the Denver con-
vention. The announcement comes
from a source which politicians re-
gard as authoritative. Clayton
stated today that he had heard con-
siderable talk among his friends
but had no definite information.

United States and every race fan in
the grandstand or on the trains
which followed the machines feared
for the lives of the daring drivers.
Thousands of dollars will change
hands as the result of the two big
contests this afternoon. Heavy
backers and even money is the rule.

SOCIETY CLAMBERS UP TREES

TO ESCAPE A LION

BEAST BREAKS THROUGH BARS
INTO AUDIENCE OF RICH PEO-
PLE, AMONG WHOM WERE THE
GOULDS AND ROCKEFELLERS

(United Press Leased Wire.)
Greenwich, Conn., June 4.—Nero, a
large lion with a record of having
killed three persons in the seven
years of his life, angered by repeated
jabbings with a stick, leaped at its
keeper today and escaped from its
cage in a side show performance
here. About the cage at the time
were society people of New York,
among them Mrs. Frank Gould, the
children of Percy Rockefeller and
Mrs. Rockefeller. The crowds quick-
ly fled under tents, over walls into
adjacent buildings and up trees and
telegraph poles. The animal was
finally enticed into its cage by keep-
ers, who used meat as bait.

BOY KILLS FIRST MAN HE MEETS

(United Press Leased Wire.)
Minneapolis, Minn., June 4.—A
strange tragedy occurred on the
street shortly after midnight today,
when James Montague, 17 years old,
in carrying out an insane desire to
kill the first man he met, shot and
instantly killed A. P. Camden, a
Chicago elevator man.

The development that Montague
masqueraded the streets part of the
time in female attire and the other
part dressed as a man, had added a
new mystery to the case. At the
time he committed the crime he
wore a suit of clothes; but in his
room the police found an entire wo-
man's outfit, even to silk hosiery.
The only explanation Montague can
offer for the murder is that while
walking along the street something
told him he must kill the first man
he met.

"I had a revolver in my pocket
when I was seized by that strange
influence," said Montague.
"I felt it was my duty to shoot the
very first person that approached me.
The man I killed happened to be the
first one. We all have to die some-
day, so I simply hastened it a little
for him. That's all."
Montague is a puzzle to the police.
While it is thought that he is insane
he appears to realize the enormity
of his crime.

MILLIONS FROM PRESIDENT

(United Press Leased Wire.)
Washington, June 4.—Max Barr,
31 years old, who says he lives in
New York is being held in the po-
lice station for observation as to his
sanity. He was arrested at the
White House, where he told the
doorkeeper he wanted to see the
President. He said he understood
that the President had a lot of mon-
ey to distribute, and that he had
called for his share of \$3,000,000.
