### DROPPING IN MY THROAT

MRS. ELIZABETH H. MARTIN, 322 Bowen Avenue, Chicago, Ill., Chaplain Garfield Circle, writes:

"Peruna has been a blessing to our family for a good many years, as we have all used it off and on for colds and catarrh, and I have given it to all of my children with the best of results.

"I found that a cold left me with catarrh of the head in a very bad form. My head was stopped up, I had frontal headaches, my eyes bothered me, and there was a nasty dropping in my throat which nauseated me and made it impossible many times for me to eat my breakfast.

"As soon as I began to use Peruna I found it relieved me, my head soon cleared up and in a remarkably short time I was rid of catarrh.

"I can, therefore, give my personal experience with your valuable medicine, and am pleased to do so."

People who prefer solid to liquid medicines can now secure Peruna tablets, which contain the medicinal ingredients of Peruna.

### TEAMSTERS AND BAKER STRIKE IN STOCKTON

(United Press Leased Wire.)

Stockton, Cal., Aug. 19.—This city today faces two strikes, one of the teamsters, the other of the bakers. Efforts are being made to conciliate the warring interests, but the dispute between the employers and their workmen in each case is bitter and little hope is expressed that the matters can be adjusted without delay.

All union teamsters yesterday refused to go to work because of the action of the draymen's express association in refusing to recognize the agreement to employ only union men. All but one firm affiliated with this organization have been unionized for several years, but the recent award of a contract by the new Stockton hotel to the Stockton Transfer company, the non-union firm, caused an instant demand by the teamsters union for adjustment.

The draymen's association refused to comply with the driver's demands and the latter declare they will not go to work until their proposals are accepted.

Non-union bakers are now operating in the Stockton bakeries, the union bakers having walked out over the refusal of their employers to increase wages for night work to 50 cents per hour. State Organizer Schroeder is here in the interests of the union to attempt an adjustment of the matter.

## THIRD TRY AT SUICIDE SUCCEEDS

(United Press Leased Wire.)

Medford, Or., Aug. 19.—Frank I. Nelke, clothier, who made two attempts to commit suicide yesterday by cutting his wrist and taking carbolic acid, last night made the third attempt by trying to cut his throat and stab himself in the heat with a case knife, used to break ice and left nearby. He was not injured to any nearby. Physicians say effect of his act will probably be fatal.

Medford, Or., Aug. 19.—Nelke died at 8:29 o'clock this morning, after begging his wife's forgiveness and regretting his act.

His financial backer was his brother-in-law, Ben Schwab, a wealthy clothier of Provo, Utah.

There is \$6000 balance in the Jackson county bank to the suicide's credit.

## WELCOME TO WINNER OF MARATHON

(United Press Leased Wire.)

New York, Aug. 19.—Amidst almost as noisy a greeting as is extended to a returning distinguished American or a visiting foreign prince, John J. Hayes, the American athlete who won the Marathon race for the Stars and Stripes at London, walked down the gangplank of the White Star Liner Oceanic today.

Tugs met the liner out in the stream and escorted her to the pier past shrill whistles blowing continually. Thousands of people were at the pier to welcome the American who had captured the greatest event of the Olympiad.

Hayes said: "I'm mighty glad to get back to America. This is the proudest moment of my life to be able to bring the much prized Marathon trophy to my country."
