THE REMARKABLE WILL OF A DOCTOR

He Leaves the Secret of Life to His Children and the World.

One of the world's greatest physicians upon his death bed called his children about him and said: "When I die I will leave the secret of life as I have discovered it in my practice."

When they read his will it directed them to a safety vault which contained a large envelope marked thus: "The Secret of Life." Upon opening it they read: "Don't abuse the stomach." This profound thinker after a long life of medicine knew the stomach to be the throne of man.

Stuart's Dyspepsia Tablets will help you make a stomach healthy. If it is worn out and lacks the fluids of digestion these tablets will take the place of such fluids.

If you cannot eat without agony these tablets will show you how you can. If you will eat foolishly, or drink excessively, or if business demands abuse of stomach, these tablets after meals will make such abuse light, for they take the hardship away from the stomach.

They are great digesters, filled with more powerful agents than the system can give. The go back into the blood after they have digested a meal, thereby increasing the ability of nature to take care of digestion without exhausting other organs.

High livers need feel no considerable hardship if they will eat one of these little tablets after a rich or late meal.

It is a splendid gift to the stomach and a good habit to form. Stuart's Dyspepsia Tablets sell for 50c per package at every drug store.

They cure backache. They cure every kidney ill.

W. H. Wood, of 259 Cottage St., Salem, Or., says: "A good many years ago I got badly kicked by a mule right over the kidneys and at another time while digging a well it caved in on me also injuring my back and since then I have had more or less annoyance from my kidneys. Change of weather caused my back to ache and when I worked hard it became so lame that I could hardly straighten up after stooping. I procured Doan's Kidney Pills at Stone's drug store, and since taking them altogether I have continued to work hard and been exposed to severe weather not an ache or other symptom of my former trouble remains. This clearly proved that Doan's Kidney Pills act up to the representations made for them. I also know of other people who have derived benefit from their use.
