of Henry Miller, the distinguished actor-manager, who has been presenting William Vaughn Moody's phenomenally successful drama of American life or over 500 nights at the Princess and Daly's theatres, New York, to such unprecedented business that a road tour was out of the question heretofore. A superb company are now touring, and the entire pro-

duction, with complete scenic equipment will be given here precisely as presented for two seasons in the metropolis.

### FLORENCE ROBERTS IN "THE HOUSE OF BONDAGE"

"The House of Bondage," the new play in which Florence Roberts will appear at the Grand Opera house on Monday, January 11, seems to have secured a really extraordinary success. In fact the word that precedes this play is not merely pleasant and reassuring, but highly enthusiastic.

It is declared that Miss Roberts has had no vehicle in her career that has offered her such salient opportunities or which embodied a theme so daring and original. When it is said that the pivotal climax of the piece passes through a vital operation by a great surgeon upon the husband of the woman he (the surgeon) loves, some idea of the tremendous dramatic power of the piece may be imagined.

Miss Roberts, in the role of the neglected wife of a brilliant English parliamentarian, has a part that suits to a "T" her great gifts as an emotional actress. Her support is a very strong one containing the names of Arthur Forrest, Thurlow Bergen, Ken Bosworth, Harry Gibbs, Anna Warrington and Mary Bertrand.

Sets on sale at box office Monday, January 11, at 9 a. m.

### FRANK CHANCE TO STAY WITH HIS OWN TEAM

Chicago, Jan. 8.—"It is all pleasant winter-time talk," declared President Charles Murphy, of the Chicago National Baseball Club, today, commenting on the report that Frank Chance, the great player-manager of the "Cubs," might forsake his team. "Frank Chance makes more than \$25,000 a year with Chicago. His earnings probably have been twice those of any other manager in baseball. He wrote his own contract last September and it runs for four years. Chance has never been known to go back on a contract and I don't believe he will now."

### Don't Blame Your Stomach

When Without Exertion Or Cost You Can Enjoy Meals And Cure Dyspepsia.

Don't blame your stomach or your luck when your meals declare war on your system.

When the stomach won't do its work it is because it cannot.

When foul smelling odors come from your stomach, when the head aches and the sourness of mouth every morning makes you hate your breakfast, when dreams and nightmare assail you, don't give up the fight.

This is the appeal of nature, and it should be heard.

Over-eating, late suppers, poorly chewed food, too rich pastries and underdone cooking are some of the causes of the stomach's ill health.

When the stomach is busy, it presses and churns all the liquid matter from food and with its juices dissolved into liquid form or pulp everything which comes into it.

If such food be poisonous it effects the juices attacks the stomach, goes into the blood and weakens the entire system.

Stuart's Dyspepsia Tablets will digest a full meal easily without material assistance from the stomach. They will restock the gastric fluid with all the elements needed. They build up the blood, destroy sour taste, bad breath, belching, stomach and bowel trouble and quickly restore natural conditions.

One grain of Stuart's Dyspepsia Tablets will digest 3,000 grains of food in the stomach or in a glass of water without aid of the human digestive apparatus.

The method of Stuart's Dyspepsia Tablets are the methods of Nature.

They contain every requisite for the stomach and digestion. After a meal one of these little tablets when it enters the stomach mingles with the juices, attacks the food and digests it. It removes the fermented and decayed mass, lying stagnant there and eases the stomach at once.

It is wholly a question for you to solve. Your druggist will furnish Stuart's Dyspepsia Tablets 50c the box, or send us your name and address and we will send you a trial package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.
