ATTEND THE OBSEQUES.

Tuesday if all goes well the funeral obsequies of the last vestige of royalty will be observed at Salem.

THE LAST FRINGES OF ROYALTY hanging onto the coat-tails of the United States Congress **WILL BE PULLED OFF.**

The divine right of any man to hold office by the power of money or pull or party trickery will be destroyed forever.

If a Republican legislature can be persuaded to seat a Democrat **THE LAW IS ESTABLISHED SUPREME AND ROYALTY HAS TAKEN A TUMBLE.**

Let the people can nominate and elect whosoever they please without the consent of corporations or the federal sack monopoly is ended. That kind of United States senators **WILL NOT BE ON THE PAYROLLS OF THE TRUSTS OR THE SYNDICATES.**

Recall what has taken place since last June, when the legislature was chosen and a senator was elected. Candidates sought the nomination under a signed statement; that they would if elected vote **ALWAYS FOR THE POPULAR CHOICE FOR SENATOR.**

On that agreement they were nominated, and then filed their sworn acceptance of that nomination and were elected by a majority of the people.

At the same election **AND AS PART OF THIS CONTRACT** there was nominated and elected by the people a candidate for the United States Senate.

At the same election as the third step of the proceeding, a law was enacted by the people **DIRECTING ALL MEMBERS OF THE LEGISLATURE** to vote for the popular choice for United States Senator.

Fourth step in the chain of iron put around the necks of their representatives was enacted the Recall.

Under all those circumstances there is no room for evasion or equivocation **ON THE PART OF ANY REPRESENTATIVE OF THE PEOPLE.**

Those who took Statement No. One know clearly that their duty or Tuesday is to keep their pledge.

It is their duty to vote for George E. Chamberlain, **THE DELIBERATE CHOICE OF THE PEOPLE OF OREGON.**

Those who took Statement No. Two to vote for the Republican voters choice have one thing to do.

That is to vote for H. M. Calk, a true Republican and **A MAN WHO HAS CONDUCTED HIMSELF AS A PERFECT GENTLEMAN UNDER VERY TRYING CIRCUMSTANCES.**

Those who took no pledge whatever, if they have any respect for the will of the people and Republican platform declarations in the past have a duty to perform.

IT IS TO OBEY THE LAWS ENACTED BY THE PEOPLE of this state and vote for the choice of the people as directed.

Above all, it is the duty of all self-respecting Republicans to stand for the principle that **THE MAJORITY SHALL RULE AND THAT PUBLICLY MADE PLEDGES SHALL BE KEPT.**

On no other line can they serve the people or the Republican party.

ONE OF THE PILLARS OF PRO-NEER TIMES.

The death of Hon. Ira F. M. Butler of Moamouth removes one of the last few remaining pillars of pioneer history.

Living to be nearly one hundred

years old, he proved that to a man of good heart and righteousness **LONG YEARS OF LIFE SHALL BE ADDED.**

Having taken part in the Blackhawk Indian war where men like Abe Lincoln, Jeff Davis and Zach Taylor won their spurs, he came to Oregon in 1852.

He served three times in the legislature and was one of the coalition that in 1860 sent Col. E. D. Baker and J. W. Nesmith to the United States Senate **TO REPRESENT THE UNION CAUSE.**

Always a friend and champion of education, Mr. Butler was one of the founders of what is now the State Normal school of Monmouth. For it he labored and made sacrifices.

He was given a large public funeral at that city, and one of the last acts of his life was to give encouragement to the founding of a Union high school **BETWEEN THAT CITY AND INDEPENDENCE.**

In his life work, in the family he reared, in his public acts, and in his private life he showed himself to be a public-spirited Christian gentleman.

Editor Hofer (SALEM CAPITAL JOURNAL) sees no good in the legislature. He complains that it will not take advice; says "It is useless, it is impossible, it is folly to advise the legislature." Further, "It is the one sovereign irresponsible body, and it is a terror to the people to see it meet." The Oregonian knew it was awful, but still had hopes it wasn't bad as that.

Why didn't Marion county put Editor Hofer in the legislature again this year? Was it because he has helped, heretofore as a member, to make it the "terror" it is?—The Oregonian.

Under the present Direct Primary law the people can make a man a candidate for any office if they want his services. They can even elect him to office without his being nominated or being a candidate, as was done recently in the Salem city council. They may take up some man and nominate him and elect him governor when he is not a candidate and will not seek the nomination or election.

The people are very tired of the Machine product that is labelled, handcrafted, muzzled and like the ox in the scripture, treadeth out his master's corn. But this is all intensely personal and we would rather talk about something else. There is nothing to prevent legislature reforming and not being a terror.

SMILES.

"Lend a Hand," the paper published in the Oregon prison, is a remarkably well edited little sheet. The motto under the title though, is genuinely suggestive, where it says: "look out not in."

Munsey's magazine makes mention of eight great men born in 1809, but does not mention Lincoln. Munsey evidently has too many magazines, or not enough intelligent editors.
