Now is the Time to visit
California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. The rate from Salem to Los Angeles and return is \$55. Limit six months, allowing stopovers in either direction. Simular excursion rates are in effect to all California points.

Life 100,000 Years Ago.
Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." To cure Sore Lungs, Colds, obstinate Coughs, and prevent Pneumonia, its the best medicine on earth. 50c and \$1.00. Guaranteed by J. C. Perry. Trial bottle free.

A man's life is to be measured as to its duration, not by years, but by character. As the Arabs well say: "A wise man's day is worth a fool's life." Length of days is not vouchsafed to every one, but the ability to live well is.

Kennedy's Laxative Cough Syrup tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels, and at the same time it is soothing for throat irritation, thereby stopping the cough. Sold by all druggists.
