## FOG MAKES TROUBLE FOR FRISCO BOATS

San Francisco, Jan. 29.—An unusually heavy fog on the bay this morning rendered traffic extremely hazardous. At one time four boats were in imminent danger of crashing together off Goat Island, and only the momentary lifting of the fog prevented a catastrophe. One of the quartette, the Oakland, making her 7 o'clock run from the Alameda Mole, hopelessly lost her bearings and floundered about like a dorellot. Fortunately she drifted toward the San Francisco side, but in doing so narrowly escaped crashing into the Mission street wharf. Then she approached her wharf broadside on, parted a line attached to the pierhead in an effort to swing her around, and drifted dangerously close to a pile driver in the south ferry slip. Before another line could be attached to the pierhead the Oakland drifted out and almost ran into the Berkeley. After much additional maneuvering the "hoodoo" boat of the Southern Pacific fleet crept into her slip, 30 minutes late.

## SALARY RAISE TO BE BLOCKED BY GOVERNOR

### WILL VETO BILLS INCREASING COMPENSATION OF OFFICIALS

Governor Chamberlain sprung a surprise this morning by sending in a message that he would veto all bills raising salaries during terms of office. That had grown to be a great

abuse, and unless a clear necessity could be shown for such an increase he would stop the practice which was becoming general.

Campbell moved to lay on table and it was done.

### WIFEY STOOD IN WITH OTHER WOMAN

Los Angeles, Cal., Jan. 29.—After having been arrested at the instance of his wife, who then compelled him to spend a night in jail and apologize to a woman he had insulted, Albert C. Smith is at liberty today, firmly convinced that the role of "masher" is not profitable.

Smith tipped his hat to Mrs. Jane Richards Wednesday night. She resented his familiarity and, at the instance of Mrs. Smith, swore out a complaint against the swain.

### WOMAN SUFFRAGE BILL PASSED

[United Press Leased Wire.] Olympia, Wash., Jan. 29.—The house this morning passed the woman's suffrage bill by a vote of 70 to 18.

This vote was arrived at when it was decided that the question should be submitted to the people in the next general election. Representative Palmer of King led the fight against the bill, asserting that it is a trivial matter, entailing needless expense to the state. Representative Bradberry made a speech in which he said the corporations were afraid of the woman's vote.

Several fervid "God bless you" speeches on the part of the suffragettes present were made and the bill went through.

Both houses adjourned until Monday.

### THUGS MURDER CITY MARSHAL

[United Press Leased Wire.] Stockton, Cal., Jan. 29.—George T. Morrison, city marshal of Oakland, lies near death's door with four bullet wounds received early this morning while attempting to arrest two thugs whom he interrupted as they were about to break into the Southern Pacific depot. As he fell the would-be murderers escaped. A number of tools, including a sledge stolen from a nearby blacksmith shop, were found at the depot, indicating that the men had designs on the office safe.

Facts are sensitive things; when fiction gets busy they get so ashamed of themselves.

The Pure Food Law. Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Dr. Stone's drug store.

### AFTER THE GRIPPE Vinol Restored This Man's Strength

"Several years ago I was attacked by a severe case of grippe, which left me with a hacking cough, soreness in my chest, and bronchitis. I took nearly every kind of cough syrup sold on the market, besides medicine given me by physicians.

I received no permanent relief until my druggist asked me to try Vinol, and after taking three bottles I was entirely cured.

I believe Vinol to be the greatest blessing ever offered to the public, as it does what is claimed for it." R. E. H. Hicks, Mapleville, Ala.

The reason Vinol cures chronic coughs, colds and pulmonary troubles is because it contains tonic iron and all the healing and body building elements of cod liver oil but no oil.

Vinol is also unexcelled as a strength builder for old people, delicate children, weak and run-down persons, and after sickness.
