What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, attacks at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomachic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum. A full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine of proper strength, from the roots of the following native American forest plants: viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

A Religious Author's Statement. Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." J. C. Perry.

ELEANOR FRANCES' HOUSEHOLD LETTER

"It is a long story to tell how I came to take up decorating," said a woman who has made a notable success in this field, when the question was put. "I like the work and am willing to do my utmost for my customers, besides I am a practical woman and never lose sight of that phase of the business."

Pretty Hygienic Homes. Every woman likes to have her home pretty and attractive, but most of our clients want it, first of all, hygienic and easy to care for, as well as comfortable and convenient.

Manufacturers are catering intelligently to these demands in so many ways that we are able to decorate in a variety of styles to suit individual needs and tastes.

Wall Decorations. Take the matter of wall decoration for instance. These sketches show the work we are doing in a pretty but modest home. Where some years ago we would have been confined to distemper of wall paper for this dining room we are now able to use Sanitas, the wall hanging that has been evolved from oilcloth.

The furniture is simple but graceful in line, and is finished to exactly match the lovely grayish buff of the wood trim of the dining room and the hall into which it opens. A few good pieces of old pottery that ornament the plate rail and mantel stand out well from the quiet dull tones of the decorations. The floors are oak and this Chinese rug of wood color, dull greens and yellows, blends well with the other furnishings.

Walnut and Mahogany. Walnut, in the light French finish, and mahogany are first favorites for handsome furniture, indeed the latter wood always holds its place and pieces of this are the best possible investment. Mission styles, or as they are now termed, "Craftsman" models, remain an excellent choice where hard wear and substantial comfort are demanded.

In doing over a house at low cost we get excellent results by using chintz furniture covers, after the English fashion. We usually match these up in curtains, but not always, for many people prefer to use only the lightest of muslin or lace at the windows. In bed rooms we frequently use printed thin muslin at the windows, with bed spreads to match. These give some of the decorative quality of chintz or cretonne yet do not keep out the light like the heavier fabrics.

Draperies. A few of our clients ask for elaborate French draperies. Bonne femme curtains, with their puffed arrangement at the windows, and similar dust gatherings, light obscuring styles.

We recommend straight hangings, easily cleaned and kept fresh and most people prefer these. A straight valance at the upper half of the window put up with rings so that it is easily adjustable, and a divided sash curtain to match at the lower half of the window is a popular, pretty and practical style of draping, especially nice for upper rooms, but suitable anywhere. Scrims, embroidered muslins, laces and nets of many sorts, also muslins and thin washable silks are the best materials for such use.

Rattan and cane upholstering are increasingly employed in the most expensive imported furniture.

Chicago has discovered that her air 300 feet above the street level contains .938 pounds of dirt to the acre, or three times as much as the air of London.

Race Suicide, as President Roosevelt calls it, is not nearly the menace to increase in population that deaths among infants are. And eight out of ten of those deaths are directly or indirectly caused by bowel troubles. McGee's Baby Elixir cures diarrhoea, dysentery, sour stomach and all infant ailments of this nature. Just the thing for teething babies. Price 25 and 50c. All dealers.

Things appear to be picking up in Oklahoma. The Ottawa News last week said that a jackrabbit had been seen in the town, and that the fishing was improving in the creek.

If You Are Sick

It is because some of the organs of the body are not doing their work well. There is a lack of that nervous energy that gives them motion. Consequently you are weak, worn-out, nervous, irritable, cannot sleep; have headache, indigestion, etc. because there is not sufficient nerve force to keep the organs active and allow them to perform their natural functions.

Dr. Miles' Nervine restores health because it restores this nervous energy. "I have been sick for a year, and did not know what was the matter with me. I tried many remedies and none of them proved of any value. I heard of Dr. Miles' Nervine. I prepared a bottle, and before I had taken half of it I was better. I would have had nervous prostration if I had not got this medicine when I did. I continued to take it until I was entirely well. I have since recommended it to five of my lady friends, and they have all thanked me for doing so, for it benefited them all."

MRS. ROSE OTTO, 123 S. 3d St., Columbus, Ohio. Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit you. If it fails, he will refund your money. Miles Medical Co., Elkhart, Ind.
