Of Interest To Women.

To such women as are not seriously out of health, but who have exacting duties to perform, either in the way of household cares or in social duties and functions, which seriously tax their strength, as well as nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much serious sickness and suffering may be avoided. The operating table and the surgeon's knife, would it be believed, seldom have to be employed if this most valuable woman's remedy were resorted to in good time. The Favorite Prescription has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless. Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmful character, but is a medicine of known composition, a full list of all its ingredients being printed in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol. In its make-up, in this connection it may not be out of place to state that the Favorite Prescription of Dr. Pierce is the only medicine put up for the cure of woman's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which Favorite Prescription is recommended. A little book of these endorsements will be sent to any address, post-paid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

KANSAS MEN WHO WERE DRIVEN AWAY

Shawnee, Kan., May 18.—The population of this little village is getting the wabbles out of its knees today following the dynamiting of a safe in the village bank by two bandits yesterday. The townspeople were sleeping quietly when the first shock of an explosion came. Slowly a party collected to interfere with the robbers' work and a cordon of brave, determined men was drawing close to the bank when came a second explosion. All of the party took to the tall timber surrounding the village, leaving the more timid to peer with frightened faces after the robbers, who departed unmolested with \$1300. They have not yet been apprehended.
