JAMES J. JEFFRIES JOINS THE MARINES

[United Press Leased Wire.] Chicago, May 19.—James J. Jeffries, weight 220 pounds, today is a marine recruit. He was sworn in late yesterday at the recruiting station, at 260 Clark street, and given transportation to the marine barracks at Mare Island, California. The new marine gives his age as 37, and, according to the physicians who examined him, he is a magnificent specimen of physical manhood. Whether or not he is the former champion of champions, Jim Jeffries, is a question that is perplexing the authorities. Efforts to locate the original Jeffries early today proved futile.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all good druggists.
