All Hail To King Lambert II. And Queen Anne II.

MOST SUCCESSFUL OF ALL CHERRY FAIRS THROWN OPEN TO PUBLIC

PORTLAND DOES ITSELF PROUD IN HONOR OF PORTLAND DAY

Big Parade Which Characterized the Grand Opening of Festivities Is the Most Magnificent and Imposing Pageant Ever Seen in State Outside of Rose Carnival Parade—Nearly One Hundred Automobiles, Scores of Floats, Bands and Other Features Composed Moving Display Two Miles in Length—Fruit Display Unsurpassed.

Under a sky that was cloudless and with a crowd of people that filled the city to overflowing—filled it until its streets were a crowding and surging mass of humanity, and with an exhibition of Oregon cherries which know no superior on the American continent, and a program of festivities which surpasses all other ever given in the city, first day of the fifth annual fair opened today.

The van guard of the crowd began, arriving in the city last night and by 9 o'clock this morning the city's streets were thronged with people. At 10:45 the Portland delegation arrived, and when the time for the parade arrived—11 o'clock—the streets were so thronged with people that they were almost impassable. Prior to the parade the visitors to the fair spent the time in admiring the splendid exhibition of Oregon cherries in the pavilion on High street west of the court house, and in listening to concerts by the various bands.

High and Winter at the bugle call of four buglers. Its starting point was the corner of High and Ferry streets and from there it wound west to Commercial and north on that street to State street; it then proceeded east on Waverly, north to Court; west to Commercial; north to Center. Then came the counter-march to State and east to Church, north to Court and west to High to the pavilion where the cherries are on exhibition and where at 12 o'clock the beautiful and impressive coronation exercises of King Lambert II. and Queen Anne II. were held.

The parade was probably the largest ever held in the city. The floats were artistically decorated, the costumes elegant, and the automobile decorations, both clever and beautiful.

Order of Participants.
The parade was led by four buglers and three cavaliers in plumed hats and silk attire and following close upon their heels came George Washington and then Uncle Sam in his suits of stars and stripes. The king and queen of the Cherry Fair—King Lambert II. and Queen Anne II. attired in all the robes of royalty and occupying an automobile handsomely decorated with Oregon cherries came next in the procession.

and has won great popularity by her charming personality and lovable disposition. She was attended by four royal pages—Eugene Houston, Alfred Kellogg, Clarence Meason, and Marion Price. The lads were dressed in the costumes of princes of the feudal ages and bore their parts with grace and dignity. At the close of the parade the king and queen were escorted to the platform and honored by the city and state officials.

Following the king and queen came the rulers of the various nations, led by Colonel Roosevelt. Each was attired in a costume representative of the country he was presumed to represent in the procession. The next link in the procession was the Salem Military Band and following it came a long string of handsomely decorated automobiles.

The first automobile was a float representing the Warren Construction Company, and behind it came two machines decorated in red and green colors and with ocean spray—the first carrying the state officials and the second the members of the city council. Willamette University was represented by two beautifully decorated machines—one carrying the faculty and the other being occupied by students of the institution. The owners of automobiles participating in the parade, and decorations, were as follows:

Autos and Decorations.
Otto Wilson, S. P. Kimball, decorated in evergreens. John Scott, decorated in red and white and American flags. Joe Harris, decorated with ivy and flowers and American flags. Rabb & Co., in colors, flowers and living "Cherry Blossoms."

Decorated Higs.
Miss Jennie Fry, phaseton in golden rod.
Mr. and Mrs. E. Hofer, single horse and buggy, decorated.
Miss Hazel Scott, single buggy, in cherries.
S. Shepherd, carriage team. Cherry Fair Colors.
Mrs. W. K. Brown, W. C. T. U. colors and "Oregon Dry." Viola Brown as "coming generation."
J. H. Battey, double team, with W. C. T. U. ladies with flags.

One of the most unique decorations was the J. L. Stockton store, with large bells in the Cherry City colors, suspended from streamers 30 feet long around the block.

There was an absence of advertising features from the parade, and the official program, for once, was not made a mere advertising scheme.

Portland Yelled.
Yells were given for Salem on the train and upon arrival of the Portland crowd by special excursion train: "Cherries, Ripe—Cherries Rare, Rah, Rah, Rah, for the Cherry Fair!"

"Ho-ay for Cherry Day, Eat-em, Sell-em, Salem!"

"Boosters for the Roses Rare, Are Boosting for the Cherry Fair!"

City Council Considers New Amendment to City Charter, Providing for Purchase of Salem Water Company Plant and Enacts Ordinance Calling Election August 17.

CITY WILL FLOAT BONDS

Present Plant is Subject to an Indebtedness of \$125,000—Amendment Authorizes Purchase of Real Estate for Extension of Plant and the Government of System by Board of Directors, Fixes Charges for Supply of Water—Board to Be Composed of Mayor and Four Citizens, to Be Elected by the Council—Bond Issue \$280,000.

An amendment to section 17 of the city charter and which by its terms and provisions authorizes the city of Salem to purchase the water plant of the Salem Water company, and defines the manner in which bonds shall be issued for its purchase, and the manner in which it shall be operated and conducted after acquisition was submitted to the city council last evening by the mountain water committee, and an ordinance passed calling for a special election on August 17 for the purpose of submitting it to a vote of the people of the city.

Authorizes Purchase of Plant.
The amendment by its terms authorizes the city to purchase the plant of the Salem Water company franchise, pumping station, filtration plant, together with all the personal and real property of the company necessary to the operation of the plant, subject to an indebtedness against said water plant amounting to \$125,000, such indebtedness consisting of (1), \$45,000 bonds, bonds executed under date of July 1, 1892, and drawing 6 per cent interest and secured by a mortgage or deed of trust recorded in the mortgage records of Marion county, Oregon, on August 4, 1892, and (2), \$80,000 bonds, face amount, drawing 5 per cent interest, the same being the bonds now outstanding of an authorized issue of \$150,000 bonds executed under date of July 1, 1903, and secured by mortgage or deed of trust recorded on August 1, 1903, in the mortgage records of Marion county, Oregon.

Be Governed by Board.
The proposed amendment then extends authority to the city to purchase any additional real estate within or without the limits of the plant and to do all things necessary along his line and further authorizes the city after the acquisition of the plant to operate it, fix charges for the supply of the water, and to collect compensation for supplying the water to the citizens.

It then provides for a water board for the government of the system and provides that the board shall consist of the mayor and four other persons to be elected by the council. It is provided that the mayor shall be chairman of the board, the city recorder clerk, and that two members for the first term shall be elected for two years, two for four years, but that thereafter the terms of all the members shall be for a period of four years. It is also provided that the council may remove members of the board for malfeasance of office by a two-third vote.

The amendment gives to the board the full charge and control of the operation of the plant.

Authorized to Issue Bonds.

The city of Salem shall, from and after the first day of January, 1910, and until the maturity of said bonds, including the bonds to which the plant of said Salem Water company is to be sold, subject, create, maintain and provide a sinking fund, as follows, to wit: On the 1st day of January, 1910, and on the 1st day of January of each year thereafter until and including the 1st day of January, 1918, the city of Salem shall pay to the city treasurer 1 per cent of the total amount of said bonds then outstanding, to be known as the "sinking fund;" on the 1st day of January, 1915, and on the 1st day of January of each year thereafter, to and including the 1st day of January, 1921, the city of Salem shall pay to the city treasurer 2 per cent of the amount of the bonds then outstanding as a sinking fund, and on the 1st day of January, 1922, and on the 1st day of January of each year thereafter, to and including the 1st day of January, 1925, the city of Salem shall pay to the city treasurer 2 1/2 per cent of the amount of bonds then outstanding, as a sinking fund, and on the 1st day of January, 1926, and on the 1st day of January of each year thereafter, to and including the 1st day of January, 1935, the city shall pay to the city treasurer 5 per cent of the amount of the bonds then outstanding, as a sinking fund. The money so paid to the city treasurer as and for a "sinking fund" shall be invested by the city treasurer, under the control and direction of said water board, by purchasing the bonds herein provided for, the bonds of the United States, or good and sufficient municipal bonds, and said sum and the interest accruing thereon, shall be preserved by said city as a fund to be used for the ultimate redemption of all of the bonds herein mentioned, and not otherwise.

GOVERNORS OPPOSING PICTURES

Chief Executives of Many States Voice Sympathy in Movement to Stop Exhibition of Fight Films, and Will Lend Their Influence in Cause.

PICTURE MEN PROTESTING

Claim They Have Spent Quarter Million Dollars in Reproducing Big Fight and Will Contest Every Effort to Suppress Their Exhibition—Missouri's Governor Voices Sound Logic in Reference to Battle, and Offers Steward for Lynchers of Negro.

New York, July 7.—"The moving-picture companies have spent nearly a quarter of a million dollars to perfect pictures of the Jeffries-Johnson fight and we will not yield without testing the rights of states and cities in barring out the fight pictures."

Thua Lubin, the millionaire picture magnate, announced the decision of the picture promoters to fight the agitation against the exhibition of fight pictures that has spread throughout the country.

"We have spent too much money," continued Lubin, "not to make a legal fight to display the pictures and we are confident that the efforts to prevent the exhibitions will not succeed. In addition to paying the fighters for their rights in the venture, we were compelled to spend large sums for special lenses and films and for the operation of 12 machines at the ringside."

Governor Hadley's Views.
Jefferson City, Mo., July 7.—Governor Hadley today offered \$300 reward for the arrest and conviction of the participants in the lynching of a negro named Carlston following the Jeffries-Johnson fight. The governor also warned the negroes not to offend white people by boisterous celebration of Johnson's victory, lest more riots occur.

Governor Hadley is incensed over the attitude taken by those who referred to Jeffries as the "hope of the white race." He ridiculed the idea that the former champion "represented" the American people.

"The only significance of the fight," he said, "is that a negro whipped a worn-out white fighter whose constitution was impaired by idleness and dissipation. Jeffries no more represented the white race than Johnson represented Booker T. Washington or Prof. Dubois."

Many Governors Join Anti.
Boston, Mass., July 7.—Many state governors will help the movement to suppress the exhibition of the Jeffries-Johnson fight pictures. In reply to telegrams sent yesterday by Secretary William Shaw of the Christian Endeavor Society from his headquarters here, the governors promised to co-operate in the anti-picture movement. The few who decline to take action barring the pictures from their states, say the law does not give them sufficient authority.

Gillett Not to Interfere.
Sacramento, Cal., July 7.—Declaring that he is confident the local authorities in cities throughout California will follow Mayor McCarthy's example and refuse to allow the exhibition of the Jeffries-Johnson fight pictures, Governor Gillett today said that he would take no official action. "Mayor McCarthy's action in stopping the pictures in San Francisco put that city in a very favorable light, and I congratulate the mayor," said Governor Gillett. "All cities in the
