MORNING SESSION

The republican county assembly in session today is not very well attended from the country. The 123 delegates from the Salem precincts were the great body of the assembly.

Two years ago the republican assembly adjourned without making a ticket. Many were in favor of doing that this time but the majority being in Salem, had their way.

Called to Order.

At 10:30 a. m. County Chairman W. L. Jones, of Jefferson, read the call, to recommend a county ticket and 76 state delegates, and to formulate the party platform.

Temporary Organization.

Wm. Hobson, of Stayton, nominated R. J. Hendricks as temporary chairman. He was elected and received with applause.

He quoted from the Direct Primary law the power and authority to hold an assembly and make a ticket. He said that they need not

to feel ashamed or weak-kneed in its proceeding.

For temporary secretary, Fred R. Waters was chosen. A. N. Moores named U. S. Grant Boyer and Boyer nominated Fred R. Waters. Then Boyer withdrew in favor of Waters.

W. A. Moores and Mr. Boyer were then made assistants to the secretary.

Geo. G. Bingham moved a committee of five on order of business: Geo. G. Bingham, S. M. Lafore, B. F. West, T. B. Patton, and E. L. Martin were named.

John Slegmund moved a committee of five on Credentials. John Slegmund, Geo. Will, Blaine McCord, A. H. Will, W. H. Hobson were named.

H. A. Johnson moved a committee of five on platform. H. A. Johnson, Dr. J. N. Smith, A. N. Gilbert, Robt. Downing and John McKinney were named.

John Knight moved that a committee of five on apportionment of delegates to the state convention be named: W. L. Jones, John Knight, T. K. Riches, R. Patterson and Abner Lewis were named.

John McKinney moved a committee of three on permanent organization. John McKinney, D. W. Matthews, Col. J. M. Poorman were named.

John Knight moved to adjourn to 2 p. m. but was voted down.

Geo. G. Bingham moved a recess of 15 minutes, which carried to name committees.

Mill City, Nehama, Monitor, East Salem, Scotts Mills, Sidney, Silver Falls, Horeb and Fairfield were not represented. The Mehama delegates were reported in town but had not showed up.

W. A. Moores reported for the committee on credentials. Report adopted.

There were large numbers represented by proxies.

Sublimity had one delegate with a proxy. St. Paul was there with four votes and one delegate.

M. L. Jones moved that in absence of proxies delegates present cast full vote of delegation. Carried.

Chairman Jones' moved to adjourn to 1 p. m. Carried.

The Platform Adopted.

The platform as adopted by the assembly follows:

We, the republicans of Marion county, in convention assembled, do re-affirm our faith in the principles of the republican party and with pardonable pride point to its achievements during the 52 years of its existence. At all times and under all conditions it has met every issue squarely and with the interest of the people ever uppermost. It stands today as it has since its birth, a party of the people in which the confidence of the people is reposed.

"We endorse and approve the administration of Honorable William Howard Taft, as president of the United States, and we believe that he has fulfilled his pre-election prom-

ises an dthe pledges of the republican party at its last national convention; and as a result he has given to the people an honest and efficient public service and an administration which meets with approval at home and is respected abroad.

"We re-affirm our faith in the principles of representative government and the maintenance of political parties, believing that no party, or other association of men can obtain its identity or exert its proper influence for good government without organization; and we believe that there is always wisdom in counsel and that as citizens of a free government we enjoy the constitutional right as members of a political party to assemble for the purpose of formulating principles, adopting a platform and considering the fitness and qualifications of the respective aspirants for office within our ranks; and that any infringement upon said right is a denial of the wisdom of the founders of our government and the righteousness of the constitution itself.

"The Direct Primary Law is the law of the state of Oregon and as such must be respected and obeyed, not according to some strange and unreasonable construction placed upon it by individuals who would serve their own selfish ends, but according to the wording and true meaning of the law itself.

"We demand an awakening of the public conscience in the matter of the registration of voters; gigantic frauds are perpetrated in every campaign on the majority party by the registration as republicans of voters who are not or never have been in sympathy with the republican party to continually labor for the defeat of its policies and candidates.

"We are opposed to the measure providing for annual sessions of the legislature, believing that it would be unwise and that it would impose an additional burden of taxation upon the people of the state. The experience of other states with annual sessions of the legislature has been altogether unsatisfactory.

"We are opposed to the proposed measure providing for people's inspection of government as such officers are useless and unnecessary and only add to the long list of salaried officials to be supported by the taxpayer. We demand a decrease, rather than an increase of the public officers and believe that all useless offices, boards, commissions and clerkships should be abolished and the expenditure of public funds minimized.

"We are opposed to the proposed amendment to the Oregon constitution providing for proportional representation. This is an ill-advised measure, backed by the populists who have stolen the livery of the republican party; its purpose to force into office by trick and artifice men whom the people could not be induced to elect. It would prevent an equitable representation of the sparsely-populated counties in the legislature and would give the larger and more densely populated counties much more power than they have at the present time, and will tend to bring about a system of 'taxation without representation.' It is un-American and opposed to the policies and traditions of our people, especially to that basic principle of American government—the rule of the majority.

"We recommend caution on the part of the voters in passing upon the many initiative and referendum measures on the official ballot at the coming state election, especially those measures proposing amendments to the Oregon constitution.

"We favor a just and economical expenditure of all public moneys and the improvement of our public highway and schools as rapidly as the finances of our county will permit.

"We favor appropriations by the legislature for the purpose of reimbursing the Indian War veterans for horses and supplies furnished by them and used during the Yakima Indian War and we respectfully ask the congress of the United States to place these veterans on an equality with the veterans of other wars in the matter of pensions.

"We favor the opening of the Willamette river for navigation from Eugene to the Columbia. We favor reasonable appropriations for the maintenance of the state educational institutions and the state fair.

"We endorse and approve the record of the Honorable W. C. Hawley as congressman from the First District and particularly commend him for his zealous efforts in behalf of the people of the district.

"We favor the policy of nominating only the very best men in the ranks of the republican party for the various offices of public trusts and recommend for the consideration of the party at the primaries on September 24, 1910, the candidates endorsed by this convention and we pledge to such candidates our loyal and enthusiastic support at said primaries and further pledge for our unwavering support to the republican ticket at the general election.

"We favor the pending bill submitted by the last legislature authorizing a constitutional convention, our state constitution was adopted 52 years ago, but under the process

of amending by the initiative little remains of that time honored document and a majority of the present constitutional provisions are being violated almost daily. The people are fully equalized and competent to approve or reject such a constitution at the polls according to the terms of the pending bill."

Surprise at Foresters.

At a banquet held in the Odd Fellows Hall Tuesday evening, July 5th, I want to tell you how one of the members of old Court Willamette received a kind and beautiful calling. The object of the banquet was to spend the evening in a social manner and have a season of rejoicing over the consolidation of Court Willamette I. O. O. F. and Court Salem. Court Salem is a new organization of Independent Order of Foresters recently organized by Bro. C. H. Irving, a D. S. C. R., consisting of some of the best young and middle aged people of our city and by a little persuasion and counseling the two Courts are now united and known as Court Salem No. 3420. We were called to order by C. H. Irving and after the transacting of a little business the programme was opened by Bro. Cummings, which proved to be very pleasant and entertaining. After listening to some music for a short time Judge F. A. Moore one of the oldest members of Court Willamette, was called on to make a few remarks. He is a gentleman who seems to be blessed with a qualification of being able to say just the right word of the English language at the right time and in such a way as to keep his listeners in a happy, jovial mood and feel that they are being well instructed and entertained. After giving us some good ideas and thoughts about the stability of our order and touching on the social and fraternal features in connection with it he proceeded to apply the cane to your humble servant. His remarks for the occasion were excellent and it was such a complete surprise, and touched the tender feelings of my heart so deeply I feel that I can express my appreciation of your kindness better with my pen than I could audibly for speech making is entirely out of my line of business.

The cane is a beauty with its nice gold handle on which are inscribed my initials E. P. C. and Court Willamette I. O. O. F. 1453. Kindly allow me to thank you one and all for the kind remembrance. We had a very, very pleasant time and I believe every person present felt in their heart the influence of that kind fraternal feeling that seemed to prevail in our midst the entire evening. I wish every member of the old and new Court could have been with us. I have now been in the I. O. O. F. harness fourteen years but I do not expect to throw all the duties onto our new secretary but with the consent of our members I shall try to aid and assist him in every way I can. I feel very much attached to every member of old Court Willamette in a fraternal way and as I hold this beautiful token of remembrance from you in my right hand it inspires me to be more faithful if possible in aiding every member of Court Salem to be a faithful forester and hold on steadfastly to the end.

Your humble servant,
E. P. COCHRAN, F. Secy.
