PRIZE CATTLE ARE ORDERED KILLED

Chicago, Nov. 5.—The government quarantine order, closing the Chicago stockyards for ten days, will become effective at five p. m. tomorrow. The price of cattle and sheep advanced slightly here today, but President Tilden, of Libby, McNeill and Libby, packers, denied that meat prices would be affected perceptibly. Exhibitors feared that every prize cow exhibited at the National Dairy Show now being held at the stockyards may be found infected with the foot and mouth disease and ordered slaughtered. Eight prize cows, one of them reported to be worth \$30,000, already have been condemned. The herd of prize cows under quarantine is valued at \$2,500,000. The life of Deanie, the champion Guernsey, once owned by the late J. Pierpont Morgan, and worth \$40,000, is endangered. Owners of the prize cows are considering seeking redress from the railroads. They declared the railroads were ordered to haul the animals away last Sunday, but failed to do so.

SIX DEMOCRATS ARE ELECTED IN KANSAS

Topeka, Kan., Nov. 5.—Indications this afternoon were that the delegation in congress from Kansas would consist of six democrats and two republicans. Republican leaders admitted the defeat of Calderhead for congress. Late returns also indicated the election of ex-Senator Curtis by a plurality of 2,000, but an official count probably will be necessary.

MRS. MABEN WAS MADE WELL

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn.—"I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good. I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. MABEN, 211 S. Spring St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Why Lose Hope. No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

BEST TREATMENT FOR ALL COMPLEXION ILLS

I'll tell you my panacea for all complexion troubles. If the skin be colorless, sallow, muddy, over-red, if it be rough, chapped, blotchy, pimply, or freckled, there's nothing that will so surely mercurialize the condition as the worst mercurochrome. The wax literally takes off a bad complexion—absorbs the dead and near-dead particles of surface skin, so gently, gradually, you experience no inconvenience at all. A new complexion is then in evidence, one so clear, spotless, delicately soft and beautiful, you look many years younger. One ounce of this wax procurable at any drug store, will rejuvenate even the worst complexion. It is smeared on like cold cream, before retiring and removed mornings with warm water. The mercurochrome wax habit is a healthier and more economical one than the cosmetic habit. If the skin be wrinkled or creased, bathe it daily in a solution made by dissolving an ounce of powdered sassafras in a half pint of water. This acts immediately, affecting even the deepest wrinkles.—Elsie Desmond, in Beauty's Mirror.

THE CITY'S MONTHLY HEALTH REPORT

According to the health report for the city of Salem issued today by City Physician Miles there were 11 deaths in this city during the month of October and 17 births. The males outnumbered the females among the new arrivals, 6 to 3. There are two cases of typhoid fever in the city at present and two cases of scarlet fever and one case of pulmonary tuberculosis is also reported.

The 11 deaths were caused from a number of reasons, one being an accident resulting in concussion of the brain and another from old age. The one case of spinal meningitis was a sporadic case and Dr. Miles says there are no indications of an epidemic of this disease in the city. The other causes were as follows: Cerebral tumor, 1; cancer of stomach, 1; acute nephritis, 1; exhaustion, 1; acute intestinal infection, 1; typhoid fever, 2; heart disease, 1.

ALLIES SATISFIED WITH CONDITIONS

Paris, Nov. 5.—The allies are at least holding the Germans in check all along the line in France and Belgium, and in some places they are advancing, it was announced in the Bordeaux war office's official communication received here today.

France-Anglo-Belgian advances were mentioned especially east of Nieuport and between Dixmude and the Yser. The Germans were reported to have renewed their assaults between La Bassée and the Somme, but it was said they were accomplishing nothing despite the violence of their exertions. Heavy artillery firing, it was said, was in progress all along the line.

SUFFRAGE MAY LOSE YET IN MONTANA

Butte, Mont., Nov. 5.—Complete returns received today from half the counties of Montana failed to bear out the claim of Jennette Rankin, suffrage campaign leader, that the equal rights amendment had carried the state. The returns show that woman suffrage was behind by small pluralities everywhere in the state except in Missoula county, where it has a plurality of 1,000 votes. Republican leaders today conceded the election for congress of Evans and Stout, democrats. Their pluralities will range from 500 to 6000. Poverty is not a crime, but the penalty is hard labor, just the same.

RACE IS CLOSE

Portland, Or., Nov. 5.—The race between Tom Hurlburt, republican and Tom Word, democrat, for sheriff in Multnomah county is exceedingly close. At 7:45 p. m. the vote was: Hurlburt 31,930; Word 31,632.

WOODBURN HAS FIRE THIS MORNING

Woodburn suffered a \$25,000 fire last night, which destroyed Moore's drug store at the corner of Grant and Front streets and the store of Goodall & Drake, the next building south, was a total loss. A number of offices in the store over the drugstore were a total loss, and the principal damage to the drug store was from water and smoke. It is not known how the fire started but it is supposed it was from a stove or a defective flue in the Goodall & Drake store, as this building was the first to be discovered on fire.

Goodall & Drake Store Burns, Other Buildings and Offices Destroyed

The night watchman saw the flames about 1:30 this morning and turned in an alarm. The flames had already gained considerable headway and when the fire department arrived the conflagration was beyond control. The store was burned to the ground and but little of the stock was saved by the volunteer firemen.

The stock of the store is estimated at a value of between \$15,000 and \$20,000 and it is reported that about \$13,000 in insurance was carried. There was some insurance also on the drug store and contents and the loss to this establishment is estimated at about \$5000. This is the second disastrous fire that has visited Woodburn this year. The last one was caused by an explosion.

How to Have the Best Cough Remedy and Save \$2 by Making It at Home

Cough medicines, as a rule contain a large quantity of plain syrup. A pint of granulated sugar with 3/4 pint of warm water, stirred for 2 minutes, gives you an good syrup as money can buy.

Then get from your druggist 2 1/2 ounces Pinex (50 cents worth), pour into a pint bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 64 cents, a full pint of really better cough syrup than you could buy ready made for \$2.50—a clear saving of nearly \$2. Full directions with Pinex. It keeps perfectly and tastes good.

It takes hold of the usual cough or chest cold at once and cures it in 24 hours. Splendid for whooping cough, bronchitis and winter cough. It's truly astonishing how quickly it loosens the dry, hoarse or tight cough and leads and soothes the inflamed membranes in the case of a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent lough.

MAJORITY ABOVE 5000.

Boise, Idaho, Nov. 5.—Additions returns from Idaho today indicated that Moses Alexander's plurality for governor will exceed five thousand. It is a democrat. Whether the democrats or republicans will control the legislature is still in doubt.

BRUTAL MURDERER ADMITS HIS CRIME

Bellingham, Wash., Nov. 5.—Wandering aimlessly, and apparently half dazed, along the Great Northern rail road tracks near Proctor, Giuseppe Spummo, laborer, who early yesterday morning cut off his wife's head and left her body lying in bed with two sleeping children, was captured at 6 o'clock last night by Foreman Crowley of a Great Northern section gang. He is said to have confessed to the murder. Spummo was taken to the county jail. At the jail Spummo is resigned to his fate, frankly admitting he cut off his wife's head with an ax when she threatened to have him arrested a second time for non-support.

BUILDINGS BURNED AT ARKANSAS MINES

Fort Smith, Ark., Nov. 5.—Buildings of Mine No. 4 at Prairie Creek, owned by the Bache-Dennan Coal company, were destroyed by fire today. Striking coal miners were accused of firing the buildings. Federal troops ordered to Prairie Creek will reach their destination tomorrow.

An eight-room house, designed to shelter the officers of the federal troops due at Prairie Creek, was burned today. The fate of 25 nearby cottages was not known.

KAISER WILL SEND DREADNAUGHT OUT

Has Abandoned First Plan and Will Make Business for the British

By Ed L. Keen.

London, Nov. 5.—Unprecedented activity prevailed today at the admiralty here.

Concerning all British naval movements, the censorship tightened to the strictest. Rumors were current of impending fighting with the Kaiser's fleet.

The authorities did not try to disguise their anxiety concerning reports that four German dreadnaughts and four armored cruisers had steamed and cleared for action, from their base out to sea. Unless the British squadron quickly located this sea force, it was admitted that it might do immense damage along the English coast. The admiralty neither confirmed nor denied the reports.

It was admitted that German fighting vessels had engaged the British gunboat Halcyon and that Tuesday they sank a British submarine only 200 miles off the English coast. Why the British scouts failed to give warning sooner of these hostile ships' presence on the west side of the North sea was not explained.

Evidently, however, it was believed, the German craft had attempted to lure British ships into a mine field.

ELECTION NOTES

Senator Chamberlain appears to have carried Lane county (Booth's home), by a good sized majority. But Booth carried his own precinct in Eugene.

Democrats elect Sheriff Parker, Judge Bowe, and Coroner Veach, in Lane county. The republicans got the rest of the offices. Prohibition carried by 4,000 majority.

Miss Mollie Towne, a democrat, is elected to the legislature from Jackson county. She will be the first woman member of the law-making body in Oregon.

Sam Garland, a democrat, probably defeats F. H. Porter, republican, for senator from Linn county.

The proposed new county, Siskiyou, to be carved out of Lane, was badly snowed under at the election Tuesday.

Senator Chamberlain and Dr. J. C. Smith carried every precinct in Jackson county, Chamberlain plurality being 3,500. Hollister (dem.) for congress also carried the county.

TRY THIS IF YOU HAVE DANDRUFF

Or Are Bothered With Falling Hair or Itching Scalp.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

THE END IS NEAR.

Tokio, Nov. 5.—The Japanese were officially declared today to be closing in fast on the Germans' Kino Chan defenses. Several more small forts and a few prisoners were said to have been taken. The power house and Bismarck barracks were mentioned as having been destroyed by Japanese shells.
