POSTAL EMPLOYEES TO HOLD CONVENTION IN SALEM JUNE 26

Post Office Clerks and Letter Carriers Meet Jointly In Annual Session

Great preparations are being made by the local post office clerks and letter carriers for the joint convention of the Oregon State Letter Carriers and the United Association of Postoffice Clerks, to be held in Salem, Saturday, June 26, one week from today.

The state branch of these two associations meet once each year where matters of statewide interest to post-office workers are discussed.

C. D. Barlyte of this city is president of the local branch No. 47 of the Oregon Association of Letter Carriers. K. P. Loop of McMinnville is president of the state association.

According to Mr. Barlyte, the local members of both associations are planning to give the state delegates a fine time while in the city, closing with a banquet at the Marion.

Among the prominent men who will be present and speak at the banquet are Senator Lane, Senator Chamberlain, Congressman Hawley, Postmaster Myers of Portland, Fred P. Holt, secretary of the Oregon association, G. W. Johnson of Astoria, Mayor H. O. White and Postmaster August Hockett.

The Rev. James Elvin, of the First Congregational church will serve as toast master for the evening.

Those on the reception committee, acting with C. D. Barlyte, are Mrs. A. R. Aufrance, Mrs. Walter Person, Mrs. Estella Kaylor, George Hatch, Clifford Ross and L. D. Waring.

The committee in charge of the entertainment of the delegates consists of C. D. Barlyte, assisted by B. T. Kumbler, Frank Toothaker, Fay Collins, George Johnson and E. P. Taylor.

Fully 175 delegates from all parts of the state are expected to be present at this state meeting.

At the Marion hotel banquet, Mayor H. O. White will deliver the address of welcome for the city, while postmaster August Hockett will welcome the postal employees.

The object of each of these associations is to procure the co-operation of allied workers in the postal service, to unite fraternally all those who are eligible to membership, to obtain more suitable salary ratings and to regulate the hours of labor.

"SAVING A SOUL FROM DEATH" SUBJECT OF STRONG SERMON

Special Music Added Attraction at Christian Revival Services

Revival services at the Court street Church of Christ were well attended last night and the attention was profound. Special music added to the interest of the meeting. Miss Swartz played a beautiful cornet solo, with a clarinet obligato by Mr. Swartz, her brother. Prof. DeBra contributed a fine vocal solo. Dr. Brooks spoke on "Saving a Soul From Death," basing his remarks on the last two verses of the Book of James. It was a strong plea for personal evangelism. He declared the world would never be won to Christ by the graduates of the theological seminaries or the ordained clergymen. They are too few and the world is too great. He believes in the ministry of the layman and the value of personal work. He has had a wide experience with some of the world's greatest evangelists and declares that their success lies largely in their ability to set to work a great number of the so-called laymen. He has assisted Dr. J. Wilbur Chapman in two campaigns and was with Billy Sunday six weeks in the greatest meeting up to that time, since Pentecost. Dr. Brooks claims these meetings were great because "the people had a mind to work." No revival can be successful without this element of power.

There will be no Saturday night meeting. Sunday will be a busy day. The Bible school at 9:30 hopes to smash the high record of last Sunday. At 11 o'clock Mr. Brooks will speak on "The Romances Boys." At 8 o'clock he will speak on "The Conviction of a Rich Nobleman." It is expected that capacity audiences will crowd the tent tomorrow.

Today at 2 o'clock Evangelist Brooks organized the ladies of the church into a Women's Union. With this society he has worked for a dozen years in his various pastures and has organized everywhere he has gone, evangelistic work. His society at Portsmouth, Ohio, last year recorded over 15,000 pastoral calls. The value of such a work can hardly be over estimated. The ladies are enthusiastic about the plan and its possibilities.

BRITISH CHARGED WITH CONDUCTING RECRUITING OFFICE

San Francisco, June 10.—Charges that the British are conducting a recruiting office in San Francisco in connection with a front street business establishment today resulted in a sweeping investigation being ordered by the federal authorities.

Frank Bopp, the German consul here, held an extended secret conference with United States District Attorney Preston during the morning but both refused to reveal what had been discussed. Later Bopp is said to have wired to Washington information which he is said to have gathered regarding the alleged recruiting station here.

Bopp admitted that he had been carrying on an investigation for several days. He said he had employed private detectives to carry on this work for him and was satisfied that a station was being operated.

Preston refused to make any statement, but it was admitted that a careful probe had been started of the charges placed before the federal authorities.

Consul Bopp said he had sent several men to the alleged recruiting office himself. He said they had endeavored to submit, but that apparently such examination was being exercised that they were unable to obtain the evidence he desired. A recruit, it is said, must present credentials establishing beyond any doubt that he is a British subject before he is accepted.

Bopp first consulted with District Attorney Fisk several days ago regarding the case and since that time has been busy searching for evidence to be presented to the federal authorities.
