PRISON HONOR GUARD WILL HELP RED CROSS

Splendid Vaudeville Entertainment Assured by Those Who Saw Rehearsals

For the first time in the history of the American Red Cross, the musical organization of a state penitentiary will give an entertainment, the entire proceeds of which will be given to the Red Cross, and all members of the Honor Guard of the prison thereby become members of the Red Cross organization.

Heretofore, it has been customary for the annual entertainment at the Oregon state penitentiary to be given for the benefit of the amusement fund. But this year, those interested preferred to do their bit for the country by giving the proceeds to the local Red Cross. And it is for this reason that the Willamette chapter is back of the minstrel show to be given on the evening of October 10.

The Orange society of this city, which includes former students and graduates of the Oregon Agricultural college, has taken over the selling of the tickets for the minstrel and the society itself has agreed to buy 200. It is probable that other societies in the city will buy in large numbers, as the buying is an indirect way of supporting Willamette chapter, which just at present happens to be short of funds.

Eugene, Or., Oct. 2.—Declaring that every pro-German must be swept out of the University of Oregon, the Eugene chamber of commerce today renewed its campaign to oust Allen Eaton, faculty member, who attended the Chicago meeting of the People's Council for Democracy and Terms of Peace. Two hundred members of the chamber unanimously voted last night to demand Eaton's removal from the faculty.

This followed the failure of Vallejo to close its saloons at Captain George's request.

COUNCIL ACCEPTS BUSH PASTURE DEED

Purchase of Paving Plant Ordered—Re-assessment Matters October 29

The gift of the Bush Pasture to the city was officially accepted at the meeting of the city council last evening and the city recorder authorized to place the deed on record. The property will remain exactly as it is during the life of Miss Sallie Bush.

Men who go into the service of the fire department for the first time will be paid \$75 a month instead of the usual \$65. For the first six months service, after serving six months, the pay is increased to \$80 a month. The fire chief will receive the same as in the past, \$100 a month. The only change made last evening was in the pay of the men for the first six months of service.

The purchase of the paving plant from Mrs. Travis of Albany for \$4500 was authorized. Members of the council had figured out that at the rate of royalty to be paid for the use of the plant, it would be cheaper to buy. The royalty was ten cents a square yard and would amount to close to \$4000.

The re-assessment ordinance with reference to south Twelfth street and south High will be considered at a meeting of the council October 29, and those who have something to say about this matter will be heard on that evening.
