CHIEF OF POLICE WAS ELECTED BY CITY COUNCIL LAST NIGHT

Street Employees Get More Pay But Policemen Must Wait

Election of a new chief of police, raising the salaries of the employees of the street department, indefinitely postponing consideration of the raising of salaries of police patrolmen, and the selection of one new patrolman, were among the things accomplished by the city council at its regular meeting last evening.

Foland Promoted.

Al Poland, who has served on the department for a number of years, was elected chief of police to succeed the late E. E. Cooper, by unanimous vote of the council. Chief Poland has announced the appointment of Night Patrolman Wright to the position of night sergeant, which position was formerly held by Chief Poland. C. W. Mariels was elected by the council to fill the position of patrolman made vacant by the promotion of Chief Poland. Petitions for the position were received from both Mr. Mariels and W. E. DeLong, who has been acting as temporary patrolman since the former chief's illness.

Salaries Increased.

Alderman Unruh introduced a resolution to increase the salaries of the employees of the street department. Alderman Johnson opposed the resolution on the ground that it was not fair to the police department to increase the salaries of another department and leave that of the patrolmen unchanged. Unruh replied that the two classes of work were not to be compared, that the street employees were entitled to the increase, and that if the police department were entitled to an increase they should also have it. The resolution carried 7 to 4.

The salaries of the employees in the street department are now: chief mechanic, \$80 per month; sewer expert, \$80; teamster, \$75; cart man, \$70; stable man, \$65; common laborer, \$65.

Policemen Must Wait.

Alderman Ward introduced a resolution that the salaries of patrolmen be increased from \$75 to \$85 per month. Alderman Wilson opposed the increase, stating that plenty of men could be secured for \$75 a month, and moved for indefinite postponement of the resolution. The vote resulted in a tie, five voting for and five against. Mayor Keyes broke the tie by voting for postponement. Alderman Wilson later moved to have the vote reconsidered, but the motion lost 4 to 5.

Routine Business Transacted.

A communication was read from the P. R. L. & P. company asking what action the council intended taking on a bill presented by the company for oil sold to the city last summer for use in paving. The matter was referred to the committee on current expenses.

A petition from the Coast Bridge company was received asking that the company be allowed to lay a temporary track from the Oregon Electric track at Marion street to the river bank and then to Center street over which to haul materials for use in the new bridge. The petition stated that traffic would not be blocked, no damage would be done to the pavement and that the streets would be restored to their original condition after the materials had been transported to the point of use. The petition was granted, the bridge company to have the use of the streets during the pleasure of the council, after first filing a bond in the sum of \$1,000 with the city recorder.

A protest from Lord & Lord against the assessment for the improvement of South High street, was received and February 4th was the date fixed for the matter to be heard before the council.

Delinquent Assessments Due.

When the question of delinquent assessments for street improvements came up, Alderman Unruh moved that the city treasurer be instructed to furnish the city attorney with a list of delinquent persons together with the amounts for which they are delinquent, and that the city attorney be instructed to notify the delinquents that they must pay up by February 10th or suffer the penalty.

Mayor Keyes announced that all of the aldermanic committees that have served for the last year will continue to serve during the present year.

H. H. Stanton, chairman of the special comfort station committee of the city council, announced informally that the station has been completed and was opened for the public at 10 o'clock yesterday morning. The committee was given a special vote of thanks by the council.

The following bids were received on 500 feet of hose for the fire department, underwriters' specifications and were referred to the committee on fire and water:

United States Rubber company, \$1.45 a foot f. o. b.

A. G. Long, Portland, four bids, \$1.90 cents; \$1.10 and \$1.05.

American Manufacturing company, San Francisco, \$1.10.

Lot L. Pearce & Son, four bids, \$1.90c, 80c and \$1.00.

Bowers Rubber works, two bids, \$1.10 and \$1.00.

Race Makes Statement.

City Recorder Earl Race has prepared for the alderman, and left on each desk last night, a neatly printed financial statement of the city for the year ending December 31, 1917. The first of its kind that has ever been published. It was the item of \$23,929.57 delinquent street assessments shown in the statement that caused the council

VON TIRPITZ CONFIDENT

Amsterdam, Jan. 22.—"Our stand at Brest-Litovsk shows the will to win is not weakened; that not a single muscle is softened," declared Grand Admiral Von Tirpitz, speaking at a meeting of the Fatherland party, reported in Berlin dispatches today.

"The battles are great, but the goals are beautiful," he concluded.

The meeting adopted a resolution that peace must assure Germany's free development and culture.

Willamette U. Notes

Dr. Carl G. Doney left Salem this afternoon on the 4 o'clock Oregon electric to take up his duties as a work or among the Y. M. C. A. secretaries "over there." The students and faculty of the university went to the station in a body to bid him Godspeed. Dr. Doney will travel direct to New York, and will embark for France as soon as possible.

The chapel exercises this morning were in the nature of a farewell to Dr. Doney. Miss Lola Conley, vice president of the student body presided, and the following program was rendered:

Song—Butterfly Time, Lola Belle McCaddam.

Address—Fragmen, Loren Basler.

Address—Sophomores, Lyle Bartholomew.

Song—Even Bravest Heart, Archie Smith.

Address—Juniors, Harold Nichols.

Song—Perfect Day, Louise Benson.

Address—Seniors Harold Eakin.

Selections—(a) The Old Flag Never Touched the Ground; (b) Winter Song "Varsity quartette.

Presentation of gift from student body, Harry Bowers.

Farewell address—Dr. Carl G. Doney.

Address—Board of trustees, Dr. B. L. Steeves.

Selections—(a) There's an Old Historic Temple; (b) Then Take Me back Men's Glee club.

Chapel march.

The gift of the student body to Dr. Doney was a silver wrist watch whose every tick, as Mr. Bowers said, "is to carry to you the good wishes of every member of the student body."

The address of Dr. Doney was so simple and yet so eloquent that it impressed upon the students as never before the magnitude and humility of their president. In closing he drew from his pocket a small Willamette pennant, and said, "With this, and a small one of this other," pointing to the flag, "in his pocket, what more could a man want, except the grace of God in his heart?" He also said, "I'm coming back; I can promise you that I'm coming back in the fall ready to meet you all again and other students with a new Willamette spirit."

The statement shows the city's total resources to be \$235,774.83. Under the heading of receipts and expenditures for 1917 the statement shows the actual running expenses of the city for 1917 to have been \$164,687.30. Property owned by the city is valued at \$386,500. It shows a provision of \$153,284.85 to meet the current and fixed expenses for 1918, while the budget estimate is \$152,465. Street improvements for the year totaled \$80,217.60, and in addition the city has been granted a quit claim deed by A. N. and Lola Bush to a tract of fifty-seven acres of land in the city limits to be used for a public park.

City to take action requiring the payment of all such assessments by February 10th.

Clackamas County Divorce Decree Is Affirmed

Wallace M. Bleything, appellant vs. Maude E. Bleything; appealed from Clackamas; suit for divorce; opinion by Chief Justice McBride; Circuit Judge Campbell affirmed. Justice McBride, passing on the case, said:

"This was a suit for a divorce. There was a trial, findings and decree for defendant, and plaintiff appeals.

"There are no questions of law raised upon this appeal and to discuss the evidence would only be to recount the childish bickerings of two young people, who, by the exercise of mutual forbearance and self-control, could have lived pleasantly together. The evidence does not convince us that defendant's conduct has been such as to entitle plaintiff to a decree. Therefore the decree of the circuit court is affirmed."

The seven other opinions follow:

Edna R. Jackman vs. Northwestern Trust company, appellant; appealed from Polk; suit to rescind executory contract for sale of land; opinion by Justice Bean; Circuit Judge Duffy affirmed.

J. W. Fargo, appellant vs. Joseph Diekover, et al.; appealed from Multnomah; suit to recover as assignee of judgment; opinion by Justice McMannam; Circuit Judge Morrow affirmed.

Vincent Cook vs. Oak Nolan, et al., appellants; appealed from Multnomah; suit involving title to land; opinion per curiam; Circuit Judge Duffy affirmed.

County of Multnomah, for benefit of L. H. McMahon, appellant vs. T. A. Sweeney, et al.; appealed from Multnomah; suit to collect for lease of road making machinery; opinion by Justice Bean; Circuit Judge Morrow reversed.

Depot Realty Syndicate vs. Enterprise Brewing company, appellant; appealed from Multnomah; suit to recover rent; opinion by Justice Morrow; judgment of Circuit Judge Garstebush modified.

George Anos Marshall vs. Nellie Gustin, appellant; appealed from Multnomah; suit over division of estate; opinion by Justice Benson; Circuit Judge Morrow reversed.

Lorenzo Morata vs. Oregon-Washington Railroad & Navigation company, appellant; appealed from Multnomah; suit to recover damages for personal injuries; opinion by Justice McMannam; Circuit Judge Davis affirmed.

John F. Nugent Named For Idaho Senator

Boise, Idaho, Jan. 22.—John F. Nugent, democrat of Boise, was today appointed by Governor Alexander United States senator from Idaho to fill the vacancy caused by the death of Senator Brady. Nugent was formerly democratic state chairman and has been one of the leaders of the progressive wing of the party for ten years. He is a practicing attorney in this city.

TWO MORE INTERNED.

Windsor, Ont., Jan. 22.—Hugo Zornig Max Drogman and William Flack, musicians, with the "Katinka" musical comedy company, were ordered interned here Monday as alien enemies and A. W. Baehelder, manager of the company, was fined \$600 and costs for assigning them into Canada from Detroit. All are Germans with first citizenship papers, whose homes are in New York.

A LOW GRADE GRATTER.

Butte, Mont., Jan. 22.—Deputy Sheriff F. H. Pettit of Tacoma left for that city today, having in custody Charles Turpin, who is charged with uttering worthless checks, gaining acquaintance through posing as a disabled Canadian soldier. Turpin was arrested here last week.

GERMAN SPY SUSPECT.

Great Falls, Mont., Jan. 22.—Frank Schlegel, alias Kramer, under arrest in San Francisco, as a German spy suspect, formerly lived here, working for the American Society of Equity until discharged. As Frank Kramer, he was known in Minneapolis and St. Paul.

Nothing thrives like thrift.

Gross earnings for 1917 were \$15,800,000 and net earnings \$11,200,000. Dividends of \$6,800,000 were declared.

Even better results were forecast for 1918.

Reduction in income-producing securities during the year was achieved, gold holdings increased and large note issues made on the basis of this gold reserve, to strengthen the lending power of the banks.

Despite the fact that the federal reserve banks played a large part in flotation of the two liberty loans expenses of the federal reserve board were but \$250,000.

Federal incorporation of banks engaged in international and foreign banking and whose stock is held by national banks operating under the federal reserve system should be authorized by amendment to the existing law, the board urged.

Net deposits on which the reserve is computed were \$19,348,806,000 in November 17, 1917, against \$9,976,980,000 a year ago and \$6,668,325,000 in 1914.

Loans and discounts to November 17, were \$8,550,571,000 against \$8,355,101,000 in 1916 and \$6,363,435,000 in 1914.
