Action at the golden eagle nest...

PHOTO COURTESY JIM HAMMOND

Golden eagles Rocky and Petra have a nestful to feed. The eaglets
Fluffy and Goldy – named by the kids at Sisters Park & Recreation
District's preschool program – hatched March 31 and April 2 or 3.
They are getting active. They're a lot of fun to watch, and you can
do so at www.goldeneaglecam.com. The up-close-view of the nest
is thanks to a telescope provided by Jim Hammond and stationed
across Whychus Creek Canyon from the nest's location.
