Folks love living in Sisters because of its small-town charm. But living in a small town doesn't mean you have to sacrifice big-time service. Sisters is full of quality, professional people operating all sorts of businesses that help you enhance the quality of life in Sisters Country.

Whether you need help with a home remodel, maintenance project or getting your landscape in shape to stay healthy and avoid fire; whether you need quality, accessible healthcare or are simply looking for a great place to eat, you'll find best-quality products and services right here in Sisters.

And spending your dollars locally ensures that the community itself stays healthy. Each dollar you spend circulates seven times in the Sisters economy. And when the quality is this good, there's no reason to look anywhere else!

Three Sisters Floral

You know that you can find flowers at Three Sisters Floral. But Sisters' flower shop is also the place to find delectable John Kelly chocolates and delicious, made-from-scratch cupcakes.

Three Sisters Floral has moved to 411 E. Main Ave.

What hasn't changed is Three Sisters Floral's commitment to beautifying your world. There's always something new to add color and richness to your life — along with traditional favorites.

It doesn't require a special occasion to bring flowers and chocolate and a couple of cupcakes home to your sweetie — or to a friend who needs a pick-me-up. Show your appreciation to those you care about with a stop at Three Sisters Floral for a treat that doesn't flatten your wallet but says, "Thinking of you!"

As Ruth says, "We make people happy here!"

Budget Blinds

Budget Blinds partners with all the top vendors, including Hunter Douglas Springs Window Coverings, to offer a rich selection of window coverings that include shutters, blinds, and draperies.

Budget Blinds proudly provides window coverings to Sisters homeowners and businesses, offering free in-home consultations, professional measuring and installation services.

Our window-covering specialists come directly to customers' homes to walk them through our sample books. Once the consumer decides from thousands of options, we professionally measure the windows to ensure proper fit and order the product for them.

This family-owned business offers great discounts to Sisters customers. We also have a Hunter Douglas showroom in Bend.
