

Officials urge preparedness in face of wildfires

With fires burning throughout Oregon and extreme fire risk in Central Oregon, residents should be prepared to evacuate in a wildfire situation at a moment’s notice. Deschutes County Sheriff’s Office urges residents to prepare for evacuation well in advance of an incident with their evacuation kit and plan.

Last year, Oregon adopted three evacuation levels. As the fire danger increases, the Deschutes County Sheriff’s Office and our partner agencies want to ensure you understand the three-level evacuation system and where to get current information regarding fire activity.

Level 1: Be Ready
There is an incident in your area and residents should be aware of potential evacuation. Be aware of the danger, monitor emergency services sources and local media for information. Those persons who will need additional time to exit an area or have health conditions (especially respiratory conditions that could be made worse by smoke) should consider leaving. You are encouraged to prepare or even move livestock and pets out of the area.

Level 2: Get Set
There is significant danger in your area and residents

should be prepared to leave at a moment’s notice. You are encouraged to leave and should do so as soon as possible. If you choose to stay, you must be able to leave immediately if conditions worsen. You MAY have time to gather necessary items, but doing so is at your own risk. Entry to evacuated areas may be denied. This may be the only notice you receive. Emergency services cannot guarantee we will be able to notify you if conditions rapidly deteriorate.

Level 3: Go Now!
There is immediate and imminent danger, and you should evacuate immediately. DO NOT DELAY LEAVING to gather any belongings or make efforts to protect your home. Drive carefully, turn on your headlights, and follow any directions from emergency-services personnel. Entry to evacuated areas will be denied.

“During fire season, making sure that you and your family are always on the ready for an emergency evacuation can make all the difference,” said Deschutes County Emergency Manager Sgt. Nathan Garibay. “Having a plan and an emergency 72-hour kit ahead of time can allow for your family to take some extra precautionary

measures if you are given a Level 1 notice.”

One integral piece is making sure your cell phone is registered to receive emergency notifications. This can be done on Deschutes County’s 911 registration page. Your 72-Hour kit should include your 5 Ps: People, Pets, Pills, Photos and important Papers. Also, make sure your 72-hour kit has:

phone chargers, flashlight with extra batteries, first aid kit, eyeglasses, any essential equipment for infants/elderly, water, sleeping bags, and clothing for each family member. Keep these things in a spot in your home that is easily accessed.

Visit www.projectwildfire.org or call 541-617-3303 for info on evacuation levels and a Ready, Set, Go Guide.

Agenda

- Sisters City Council, City Hall, 520 E. Cascade Ave.
- Aug. 27, 6 p.m. Workshop • Traffic study presentation.
- City Parks Advisory Board recommendations for Creekside Park.
- 7 p.m. regular meeting
- Recognition of former councilor Wendy Holzman.
