

Cleaning out The Loft...

The Outlaws cross country team helped clean out "The Loft" space at Sisters Elementary School as a community service project. The group of roughly 30 students and two coaches spent an hour-and-a-half, for a total of 48 man-hours.

DA expands inquiry into state crime lab

BEND (AP) — The Deschutes County District Attorney's Office has expanded its investigation into the alleged tampering of drug evidence by an Oregon State Police forensic analyst to cases that were not assigned to her.

The Bend Bulletin reports District Attorney John Hummel wrote in a note Wednesday that his office would review all cases that involved evidence examined by the agency's crime lab

in Bend since the analyst, 35-year-old Nika Larsen, started working there in 2012.

Larsen was placed on administrative leave in September amid allegations that she stole pills and other drugs and replaced them with over-the-counter pills.

Gov. Kate Brown has since formed a workgroup to review the practices and procedures of the Oregon State Police crime lab. The group will also identify any changes that need to be made.

Foundation supports many causes

The Roundhouse Foundation, based in Sisters, announced grants to several nonprofit organizations in September and October 2015. Grants totaled \$279,000.

The Roundhouse Foundation supports creative projects and organizations that connect the community of Sisters, Central Oregon, and rural communities in the Northwest through art, environmental conservation, social services, community leadership and education.

The foundation awarded grants in support of the arts to the following organizations: Sisters Schools Jazz Band, Arts

Central, Youth Music Project, Oregon Public Broadcasting, High Desert Museum, Harmony 4 Women, Tower Theatre, Deschutes Public Library Foundation and Caldera.

In support of youth enrichment and community leadership, the foundation provided grant funding to Sisters Graduate Resource Organization, Sisters Rotary Foundation, Sisters Schools Foundation, and Deschutes County 4-H.

Helping those in need is a priority of the foundation through grants to Sisters Family Access Network, Oregon Health Sciences University,

Sisters Little League, Sisters Park & Recreation District, Sisters High School Athletics, Furry Friends Foundation, Opportunity Foundation, A Home to Share, Volunteers in Medicine, Oregon Adaptive Sports and Sisters Kiwanis Food Bank.

The foundation supports education, science and environmental conservation through grants to the Bend Science Station, Upper Deschutes Watershed Council, Deschutes Land Trust, Sisters Middle School Makerspace Program, and Sisters Elementary Garden Club.
