## ART SHOW: Opportunity to support range of Sisters artists

*Continued from page 3*

wooden "Rocking Harley Davidson."

Again this year there will be a silent auction of additional artwork donated by participating artists to help raise funds for the programs and materials at the library.

Last year's auction brought in \$1,500 for the library.

The annual FOSL art exhibit began in 2006 when the current library building opened and the art committee was formed. The art show affords the community the opportunity to view and support a large number of Sisters Country artists at one time, in one location. In addition, artists donate 10 percent of any sales to FOSL to help promote the programs at the library.
