JOHN KELLY CHOCOLATES

Three Sisters Floral

Celebrate the week of love at Three Sisters Floral. Valentine's Day shouldn't be a last-minute, gotta-get-her-a-dozen-roses-right-now kind of day. You love her all year 'round, right? Three Sisters Floral can help you show it in a more thoughtful and creative way.

If you want to go the dozen-roses route, you sure can — they'll create a stunning arrangement. But maybe you want to go a different direction. Perhaps a different color of rose. Or a different arrangement entirely?

If chocolate holds the key to her affections, you're in luck; Three Sisters Floral has a wonderful selection of gourmet chocolates you can enjoy together. There's also a great selection of Valentine's Day cards. Connect with the true, loving spirit of the day and visit Three Sisters Floral.

Where the heart finds the art...

Ken Scott's Imagination Gallery

Ken Scott's Imagination

Imagination is the handmaiden of originality, the ultimate desire of all true artists. Yielding to the demands of craftsmanship, dedication, courage to begin and stamina to continue, and all with a heart of surrender to whatever it takes in service of the beloved.

Each artist will have plenty to say at any point along their journey, but how many have ears to hear the voice of Imagination? ALL of them! Those who manage to show up for their work daily, and remain teachable throughout, regardless...

Eventually the rewards are magnified and the artist is glorified. But, it's up to the artist to magnify or give true credit to whomsoever or whatsoever he or she may choose. No artist who receives in abundance will ever call it quits.
