

# Sisters salutes...

PHOTO BY JIM CORNELIUS

Heart of Oregon work crews did substantial work in challenging conditions last week.

• The City of Sisters would like to extend a big thank-you to Jennifer Binks, Amanda Jamison and all the Heart of Oregon volunteers. Their early spring clean-up in Creekside Park, Village Green Park and weeding at the City Hall/School Administration Campus gave us a head start for the upcoming season. We appreciate your help!

• Someone left \$5 bills with the message "You Are Loved" on cars at Sisters Elementary School last week. The staff at SES wrote: To "You Are Loved" — Thank you for your random act of kindness at the elementary school March 10. There were smiles all around from your generosity of notes left on each and every car in our parking lot!

with Casey and his crew at Blazin Saddles, and we are working on some fun ideas related to bike maintenance clinics and trail-side repair." Support for enrolled riders is provided by Blazin Saddles. Registration is still being taken at SPRD and will continue through March. The cost to enroll in the program is \$100. ## SNOW: Winter driving conditions persist across region

stream, so it will be available when irrigators need it to kick off the spring growing season and it will — hopefully — last through the summer. The snow did, of course, create wintry driving conditions across Sisters Country. Drivers are advised to remember their good winter driving habits. Allow plenty of following distance, travel with an emergency kit, and be wary of icy patches as snow on roadways starts to melt off.
