Prescribed burning near Glaze Meadow west of Sisters.

**BURNING:** Sisters could see smoke impact from projects

*Continued from page 1*

Meadow, Crossroads, Tollgate, Cascade Meadow Ranch and Camp Sherman communities.

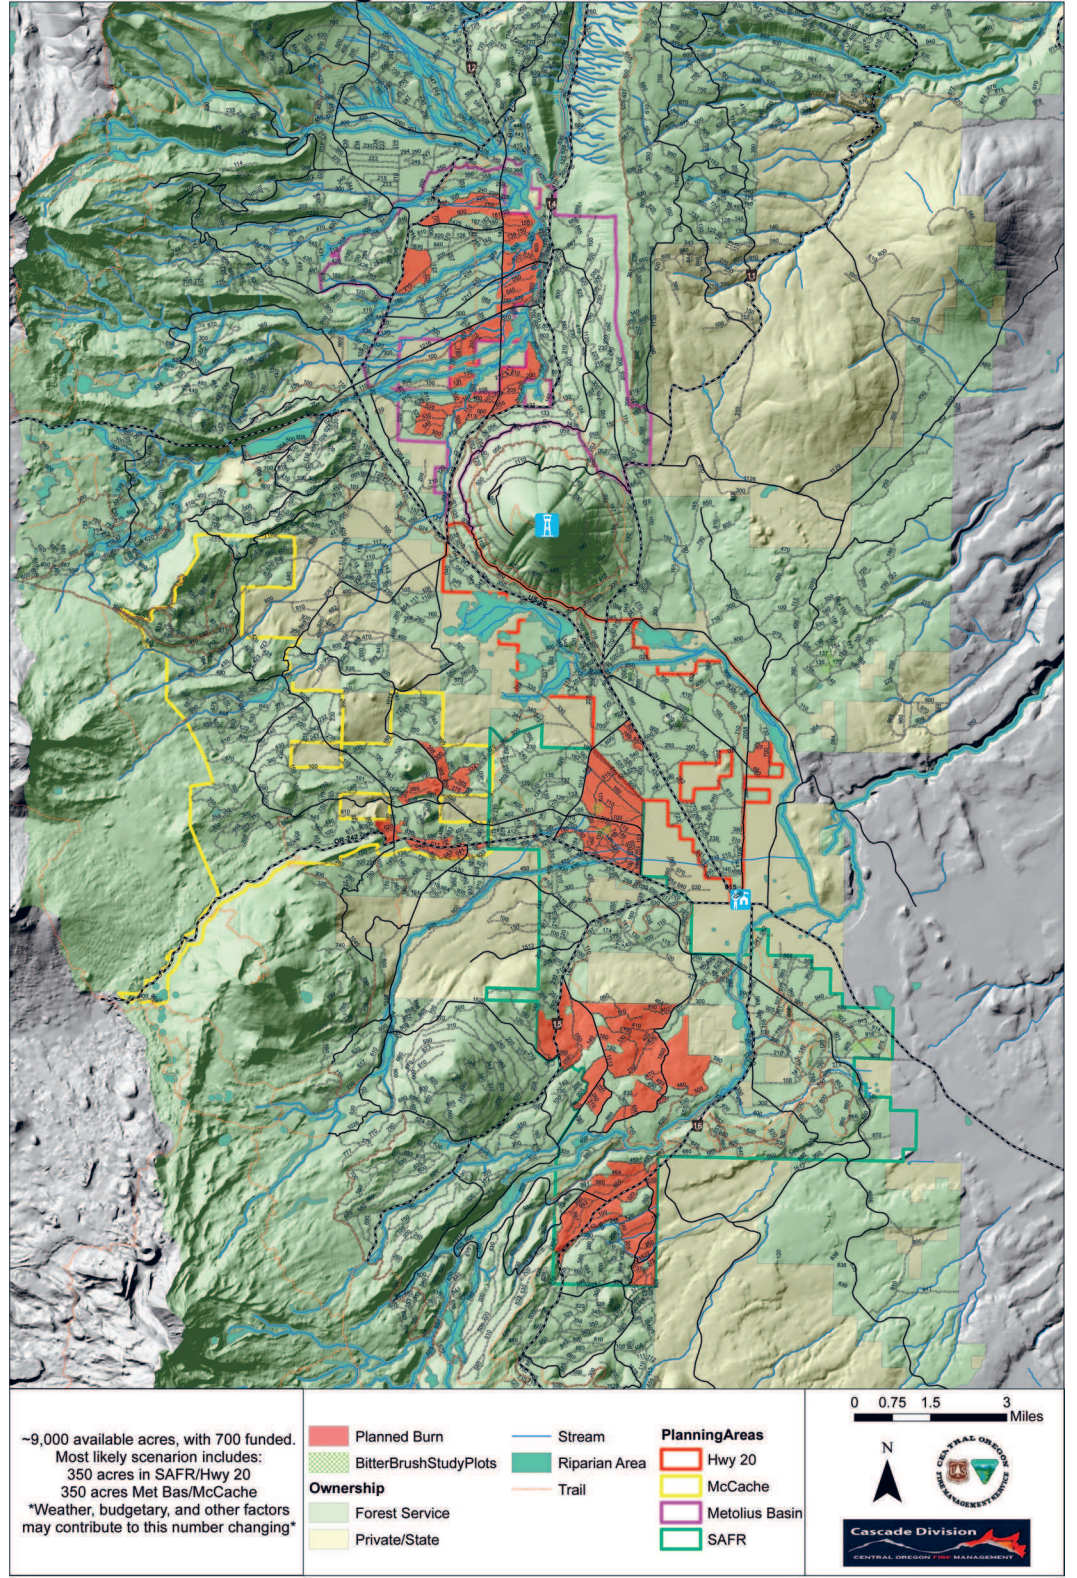

Residences and businesses in the areas of all of these prescribed burns are advised to keep their windows and doors closed during the night hours to avoid any potential smoke impacts. If smoke drifts onto local roads, motorists should slow down, turn on headlights, and proceed with care.

Fuels specialists will

follow policies outlined in the Oregon Department of Forestry smoke management plan, which governs prescribed fires, and attempts to minimize impacts to visibility and public health. Once ignited, units are monitored and patrolled until they are declared out.

For more information, visit the Deschutes National Forest website at [www.fs.usda.gov/deschutes](http://www.fs.usda.gov/deschutes) and follow on Twitter @CentralORFire. For further questions or if you have interest in being included on the prescribed fire contact list call Assistant Fire Management Officer Jinny Reed at 541-480-7243.
