

Sisters salutes...

Bill Anttila was informed last month that the old Little Cloverdale School, which currently houses Heart of Oregon/Americorp, did not have a flagpole from which to display the United States flag.

Staff at Heart of Oregon said they would love to have a flagpole but could not afford one. At the regular monthly meeting of Sisters VFW Post 8138, and

American Legion Post 86, Bill Anttila informed the two organizations of the need. Members present collected a free-will offering. The picture shows Commander Bill Anttila and Trustee Wendal Halterman, VFW Post 8138, who installed the flagpole, along with Americorps students. The flag will be flown 24/7 at the school, and is lighted by a solar light.
