

TRACK: Outlaws teams are ready for district competition

teams from different leagues, because I have a feeling we will be battling again at the state meet," said Larson.

The boys are certain to improve on their team finish at district from last year and are positioned to qualify in a number of events for state, according to Larson.

On the girls side, a cast of eight characters helped the Outlaws to fifth place as a team with 65 points. The Vikings of Siuslaw walloped everyone with 112 points. Scappoose was second with 79, followed by Henley (73), and North Valley (71).

The Outlaws got the bulk of their points from hurdlers Michaela Miller and Sabrina Reifschneider, who also helped score in the relays.

Miller finished second (16.47) and Reifschneider third (16.67) in the 100 hurdles and second (47.91) and fourth (48.24) in the 300 hurdles. Miller also took second in the triple jump with a hop-skip-jump of 33 feet 1.75 inches.

Miller and Reifschneider joined Erynn Ricker and Mandi Calavan earlier in the meet to finish a fast third in

the 4x100-meter relay in a season best of 50.73, which puts them in the top four 4A times this season, just .10 seconds behind state leader Henley, which won the race, followed by North Valley in 50.70.

"Good competition brings out good times," said Larson. "For three of the top teams to get to race one another two weeks before the state meet is great preparation for these girls."

Ricker scored in two other individual events as well, placing second in the long jump at 16 feet 5 inches, and fourth in the 100 at 13.20 seconds. Mandi Calavan took sixth place in the 200 (27.47) and her sister Macadia placed eighth in the 400 (1:02.89) as other scorers for the Outlaws.

Tate Ricker (no relation to Erynn) used a strong finish to place seventh in the 1,500 with a personal best of 5:31.24.

The 4x400-meter relay team of Rylee Weber, Reifschneider, and the Calavans placed a solid sixth with a time of 4:15.20.

Julianne Meeter picked up a point with her eighth-place finish in the javelin with a toss of 102 feet 3 inches. She remains the leader among Sky-Em spear chuckers with a season best of 115.

competitor going into the District meet, giving the squad reason to believe it can defend its team title from last year.

"We have some league leaders and hopefully enough back-up in most of the events to put together a lot of points," said Larson.

The two-day Sky-Em District meet gets underway Thursday morning at 11 a.m. at Cottage Grove, with preliminaries in most running events and finals in some field events as well as the 3,000-meter run.

Field events start at 11 a.m. Saturday as well, with running events commencing at 1 p.m.

Burns planned outside of Sisters

Fuels specialists on the Sisters Ranger District plan to ignite two prescribed burns outside of Sisters beginning as early as Wednesday.

If conditions remain favorable, 83 acres will be ignited on Wednesday two miles west of Sisters on the north side of Highway 242, immediately west of Tollgate.

A second prescribed burn is planned two miles west of Camp Sherman for Thursday. Fuels specialists are looking to ignite 143 acres within the wildland-urban interface.

These burns are designed to decrease hazardous fuels accumulations within the wildland-urban interface adjacent to Tollgate, Camp Sherman and Sisters.

The project will also

reintroduce fire into a fire-adapted ecosystem, increasing the resiliency of the forest.

Residences and businesses near these burn areas are advised to keep their windows and doors closed during the night hours to minimize any potential smoke impacts. While there are no road closures anticipated with either burn, drivers may experience smoke impacts on nearby roads.

If smoke drifts onto roads, motorists should slow down, turn on headlights, and proceed with caution.
