CAT OF THE WEEK

ANNIE loves with depth and devotion, on an individual basis. She is a one-person cat with allowances for other people, as long as they're respectful of her space. But if you're that one, bonded person, Annie will talk, purr, follow you around and settle in for lap time. Annie is happiest when it's just her and her special person. This girl would do best in a quiet home. Might it be yours?
