Three Sisters Insurance

The insurance landscape in Deschutes County is shifting rapidly, with many carriers leaving the individual market.

Local employers who want to take care of their people and promote employee loyalty have an opportunity to return to group health insurance.

"I'm really trying to encourage local businesses to start offering group health," says Breeze Holman of Three Sisters Insurance.

NOW is the time to start looking into your options. In November, the minimum participation barrier will be waived, making group health a viable option for virtually any employer.

"I'm really hoping that our small businesses will step up," says Breeze. "No matter how small."

In a confusing climate with diminishing options, turn to Three Sisters Insurance to guide you to a win-win for your employees and your business. Call Three Sisters Insurance today for an appointment to discuss your options.
