## Eurosports Bikes, Beer, Food Carts

The summer cycling season is at its height — and Eurosports is making it very, very easy to get that new bike you've had your eye on for months.

For the first time in owner Brad Boyd's 27 years at Eurosports, Specialized Bicycles is offering its quality bikes at a discount, enabling Eurosports to include them in its summer bike sale.

That means there are some really good deals available through August 15!

Hit the trail on a bike with Specialized's new plus-size wheel. It's bigger than a standard mountain bike tire, but not as big as fat-tire bikes. Brad considers this a "new, perfect size" that allows beginners and experienced riders alike to ride with more confidence in Central Oregon conditions.

While you're at Eurosports, you can enjoy lunch or an early dinner at the Food Cart Garden.
