Fullhart Insurance

Getting the right health coverage has never been so confusing. What carriers are available in Deschutes County? What is the right plan for me and my family?

Fortunately, you're not left on your own trying to navigate the health-insurance maze. Sit down with Tammy Taylor of Fullhart Insurance and find out what coverage is best for you. Tammy is urging local businesses to consider a return to group insurance — and supplemental individual insurance can help bridge gaps in that group insurance.

Make sure you're covered without breaking the bank; consult with an expert who is keeping track of the insurance map so you don't have to try to figure out how to read it.

Fullhart Insurance has been in business in Oregon for 50 years. Drop by during business hours on Friday, August 12 and help them celebrate half a century of serving their clients through changing times.
