

Brewing company opens tasting room in Sisters

By Erin Borla
Correspondent

Three Creeks Brewing Company's tasting room on Barclay Drive is open for business.

Partner Victoria Graves is on hand on Fridays and Saturdays from 3 to 7 p.m. through September 24.

The tasting room is for adults only and offers a very relaxed atmosphere. And a view: A picture-perfect image of the Three Sisters and Broken Top are visible right from the taps. With three rotating Three Creeks brews on tap, coupled with their entire product selection in bottles and cans available for tastings, many patrons come and enjoy a pint and relax.

"The tasting room offers great stories with a phenomenal view," said Graves.

In addition to being able to try all of Three Creeks' brews, patrons can enjoy a glass of wine or hard cider from Atlas Cider Company. There are yard-style games and tables to sit and share conversation with friends. The tasting room also offers tours of the Three Creeks brewing facility.

"We have regulars already," said employee Sherri Hermens. "It's like a mini-Cheers."

Patrons can purchase a four-ounce sample or a pint or mug of their favorite TCBC brew. Tasting is free. Mug Club benefits are available at the tasting room and are the same as at the pub.

The tasting room offers retail sales along with weekly specials on case product. Those interested in specials can call ahead, but there are no holds available. Many are out the door within the first half-hour of opening on Friday; they are first-come-first-served.

"We have regulars already. It's like a mini-Cheers."
— Sherri Hermens

Tours of the brewing facility happen during tasting room hours or by special appointment for groups or special parties. To schedule a tour or inquire about the tasting room contact Victoria at 541-549-1963, extension 7.

Sisters salutes...

The Sweatt Family would like to say thank you to Phil of Sisters Lock & Key for being such a kind and generous person. Your act of kindness is so very much appreciated and unexpected. It is great to know that there is still one business that thinks more of their customers than the almighty dollar. We will be sure to "pay it forward" for you. Thank you and bless you.

Patty B. — You are an angel in disguise. Thank you for all you have done. The Three Hens
