FFO - US 20 @ BARCLAY (SISTERS) PROPOSED FHWA SECTION 4(F) DE MINIMIS COMMENT OPPORTUNITY

COMMENT OPPORTUNITY
FOR PROPOSED FHWA
SECTION 4(F) DE MINIMIS
IMPACT TO SISTERS
MULTI-USE PATH. The City of
Sisters, in partnership with the
Oregon Department of
Transportation (ODOT) and the
Federal Highway Administration
(FHWA), with the FFO - US 20
@ Barclay (Sisters) project,
intends to improve the
accessibility of the congested and
heavily utilized intersection of
US 20 and McKinney Butte
Road/W Barclay Drive, located
northwest of downtown Sisters.
The proposed remediation for the
US 20 and McKinney Butte
Road/W Barclay Drive
intersection is to construct a
roundabout (known as the "US 20
@ Barclay roundabout") that will
reduce conflicts among vehicles,
bicyclists and pedestrians while
improving traffic flow for all
users, including freight.
ODOT plans to acquire
approximately 28,000 square feet
(sq. ft.) of land as permanent and
temporary easements from the
Sisters Multi-Use Path, which
runs parallel to the west of US
20. The purchase includes:

approximately 26,400 sq. ft. in
permanent easements for the
continued and future maintenance
of the utilities following the
construction of the roundabout;
and approximately 1,600 sq. ft. of
temporary easements for the
maintenance of construction
debris, etc. from occurring on the
path during construction.

The Sisters Multi-Use Path is
owned and maintained by the
City of Sisters. The path
provides a recreational
opportunity for the residents of
Sisters to walk, jog, and bike,
while leaving the urban core of
the city. Acquisitions of the
easements does not affect the
public's ability to use the path.
The path will still be available for
use, just as it is currently, during
construction. Subsequently, based
on a preliminary evaluation of
project impacts, FHWA is
proposing a Section 4(f) de
minimis finding for the impacts
described in this notice at the
Sisters Multi-Use Path. ODOT,
on behalf of FHWA, is seeking
comment on this proposed
Section 4(f) de minimis finding.
FHWA will consider all
comments on the proposed
Section 4(f) de minimis; prior to
making a Section 4(f) decision.
Please provide written comments
regarding the proposed Section
4(f) de minimis finding for the
Sisters Multi-Use Path by
contacting Teresa Brasfield,
ODOT Region Environmental
Coordinator, at 63055 N.
Highway 97 Bldg M, Bend,
Oregon 97701 (541-388-6041;
Teresa.L.BRASFIELD@odot.state.or.us) or Larissa Rudnicki,
ODOT Historic Resources
Specialist, at 4040 Fairview
Industrial Drive SE, Salem, OR
97302 (503-986-6782;
Larissa.RUDNICKI@odot.state.or.us) no later than September 13,
2016.
