

Sabrina Reifschneider

Sisters High School October 2016 Student of the Month

Sabrina Reifschneider is spirit coordinator for ASG, an IEE intern, a LINK Crew member and an Athletic Ambassador. She's also a two-sport threat in soccer and track. She doesn't have a lot of down-time.

"I just really enjoy being involved and I like to keep myself busy," she says. "Especially when it's a fun busy. I really love this school, so it's really fun to be involved in all the things that it has to offer."

On the academic side, Sabrina especially enjoys her health classes.

"The medical field is what I'm interested in going into next fall," she says.

She has not settled on a college yet, but is looking to major in health sciences or exercise science.

"Sabrina Reifschneider is a gift to the Sisters school community. In 20+ years of working with high school students,

Sabrina is one of the most positive student athletes I have ever met. Her kindness, upbeat attitude, and work ethic has earned her respect from her teachers, coaches, and fellow students. Thank you, Sabrina ... for all you give to the Sisters community."

-Tim Roth

"Congratulations to Sabrina, a great selection as the SHS Student of the Month. I haven't even had Sabrina in actual class since her freshman year, but I still feel qualified to comment on her qualifications as an all-round contributor in the school. Sabrina is always smiling, always polite, always helpful. She is the kind of student that helps out wherever there is a need, whether she is 'supposed to' or not. Thanks for keeping SHS a positive place, and keep smiling, Sabrina!"

-Rob Corrigan

"We have a strong group of seniors who care about the school and the culture; it's truly a difficult decision. Yet, Sabrina is certainly a deserving student because she has a pure heart and she's so involved

in our school. She's active in athletics, with our student government and maintains a very high grade-point-average. She has the ability to put people in a better mood by just being around her. Sabrina is a blessing to our school, and we're grateful for her positive impact and her 'can-do' spirit."

-Joe Hosang

"Sabrina is the most genuinely happy soul I have ever been around. Her positive attitude, her smile and her selfless actions are real. In the classroom, she contributes in a way that makes others feel comfortable and encourages them to participate. She pushes herself to look beyond the literal and to consistently produce quality work. As an IEE intern, she effectively leads, pushing students to be the best that they can be. This young lady is a positive role model for many reasons. Her presence makes a difference."

-Samra Spear

"What a great girl! Sabrina has the most infectious smile and attitude. She is up for anything, is not critical, and has a sharp and discerning mind. She is also one of the kindest students I've had the pleasure of teaching. Congratulations, Sabrina!"
