

Scholarships fund enrichment

The Roundhouse Foundation Enrichment Experience program is expanding to include grades 5-12. In the past this program was only available to Sisters High School students.

This year Sisters Middle School will have the opportunity to take advantage of the funding provided by The Roundhouse Foundation to support middle and high school students who want to expand their education by attending art camps, music camps, science camps, language camps and much more. To obtain information about the application requirements and process, visit the following websites:

• Sisters High School: <http://shs.ssd6.org/>

sistersgro.org/groscholarships/roundhouseenrichment/

• Sisters Middle School: contact Michele Hammer at michele.hammer@sisters.k12.or.us.

In other news, Sisters Graduate Resource Organization (GRO) has announced its new board. The new board is set up to create a strategic plan to expand and grow GRO resources for the future. Board members are: Karen Hensley — intern president and co-founder; Joe Bachtold — vice-chairman; Ann Thompson — secretary and co-founder; Joe Hosang — SHS principal; Rick Kroytz — SHS ASPIRE site coordinator; Charlie Kanzig — SHS counselor; Russ Hamm; Patrick Hartman; Pam Olivier; Susan Parker; Tim Ross.

For more information on GRO visit <http://shs.ssd6.org/sistersgro/>.

The ASPIRE organization is looking for a few good men and women to help junior and senior students at the high school manage the college application process. The ASPIRE program has 35 volunteers today; to make the program work for all junior and senior students the program needs at least five more volunteers.

Rick Kroytz, the ASPIRE coordinator, will be on hand to train you. Organizers say that time commitment is small compared to the guidance and excitement you will bring to the students.

Contact Rick Kroytz at rick.kroytz@sisters.k12.or.us or call 541-549-4045.

Aspen Lakes offers free golf to veterans

Aspen Lakes Golf Course is offering three free days of golf to any current or former member of the U.S. uniformed services in celebration of Veterans Day. From Friday, November 11, through Sunday, November 13, service men and women of the U.S. military — including active duty, reserve, and retired members — can play one free round of golf at the Sisters course.

Aspen Lakes has been offering the popular Veterans Day celebration to active and retired service members for more than a decade. The event can draw more than 100 veterans or active service members in a single day.

“The Veterans Day event is a fun way for all of us at Aspen Lakes to show our gratitude for the wonderful men and women of the U.S. military,” said Matt Cyrus, co-owner of the family-owned golf course. “It has become a popular way for veterans to celebrate their day. We get calls as early as August from veterans wondering if we will be

offering free Veterans Day golf again.”

To play, each golfer is asked to call ahead for a tee time, and to wear his or her uniform hat to the golf course. Aspen Lakes will waive the green fee (cart rental and range balls are not included), which is typically \$48 during peak times.

In addition to golf on Veterans Day, Aspen Lakes Golf Course has teed off its annual canned-food drive. Aspen Lakes is asking golfers to donate at least three cans of nonperishable, unexpired food in exchange for a discounted 18-hole green fee of \$30 and nine-hole fee of \$20 (cart rental is not included). The 18-hole rate represents an \$18-per-round discount from Aspen Lakes’ regular rate. The food Aspen Lakes collects is then donated in support of various Central Oregon charities and food banks in time for the holiday season.

To book a tee time, call 541-549-GOLF or book online at www.aspenlakes.com.

BOTTLE: Bomb squad was called out for suspicious item.

Continued from page 1

State Police Bomb Squad, bomb squad detectives responded to the scene from the Salem area.

At 11:33 a.m. bomb squad detectives arrived on scene to assess the item. It was determined to be a sports drink bottle with a small amount of liquid inside.

During the investigation, deputies received information the bottle had been left at the scene by boys who had been playing “bottle flip,” a game where a partially filled bottle is flipped in the air in an attempt to get it to land upright.

After playing for a period of time, the bottle began to break down and the boys wrapped it entirely in black duct tape to hold it together. After playing, they left the area, leaving the bottle at the park.
