## Alpaca Country Estates

What started as a dream when Keith and Nancy Chapel purchased six lovable Huacaya alpacas in November 2006 has grown into a strong breeding program of more than 700 alpacas, emphasizing uniformity, fineness with a soft handle, brightness and density — with the main thrust working with black and gray genetics.

Art Izer and Nancy were married in 2016 after both lost their loved ones in 2007. With Art's knowledge of cattle and horses, he is a quick study with alpacas, and the pair would love for you to visit their picturesque ranch in Terrebonne, where they produce their own hay, strive for a green planet, design alpaca clothing and have top-line alpacas of every color!

In fact, in 2016 Alpaca Country Estates has been rewarded with color champions or reserve championships in black, gray, brown and white.

## Music Makers

The gift of music may be the most profound one you can give this holiday season. Since 2003, Music Makers in Bend has been providing a full price-range of quality musical instruments for all levels of players, putting that gift in the reach of everyone.

Though they are primarily known for their acoustic guitars from Taylor and Eastman, they also are dealers for Yamaha P Series portable digital pianos, Eastman mandolins, Gold Tone banjos, banjoleles, acoustic micro-basses and resophonic guitars, Kanaloa ukuleles, Roland amplifiers, Lee Oskar and Hohner harmonicas.

Every instrument they receive is checked out by a qualified technician to ensure proper set-up before it is displayed in the humidity-controlled showroom. They can also restring and set-up your instrument as well.

Owned and operated by a working musician, Music Makers is a true musician's store, where you can find the help you need to make your musical dreams come true.
